services of an international registration designating Singapore.

6. Goods and/or services affected by the refusal:

This refusal applies to "textile products" in Class 24 of the international registration.

7. Request for review:

The holder of the international registration may file a request for a review of this refusal with IPOS.

The request for review must comply with the following:

- (a) quote the International Registration number, relevant trade mark number(s), corresponding class number(s) and Singapore reference number(s).
- (b) furnish an address for service in Singapore. The holder may appoint an agent by filing Form CM1.

Please note that any form(s) filed with the International Bureau of the World Intellectual Property Organization in response to this refusal, will not be treated as a request for a review of this refusal unless the above has been complied with.

8. Extension of time:

The holder may seek an extension of time to request for a review of this refusal by filing Form CM5.

9. Deadline to observe:

If the holder does not file a request for review or apply for an extension of time to do so by **21 July 2017**, the application for the refused goods and/or services indicated in paragraph 6 of this refusal will be treated as withdrawn (reinstatable). Please refer to paragraph 10 on reinstatement of an application that is treated as withdrawn (reinstatable).

10. Reinstatement of an application that is treated as withdrawn (reinstatable):

If the application for the refused goods and/or services indicated in paragraph 6 of this refusal becomes treated as withdrawn (reinstatable), the holder may request to reinstate the application by filing Form CM13 together with the request for review within six months from the deadline in paragraph 9.

Please note that reinstatement is not automatic. Reinstatement will be allowed only after we have conducted a new conflicting mark search and are satisfied that the mark to be reinstated does not conflict with any trade mark applications filed with IPOS prior to the filing of the required documents.

If the holder also does not request to reinstate the application in time, the application for goods and/or services that are not refused will proceed to publication.
