You must file a response, and serve the opposing party, within forty days from the date of the TTAB order setting discovery and trial dates. You will receive that order directly from the TTAB, and the forty day period begins on the mailing date of that order. You need not file a response until you receive that order.

You may file your answer through an attorney permitted to practice before the United States Patent and Trademark Office in trademark cases. While an attorney is not required, your answer and all other papers in this proceeding must conform to the applicable United States rules and statutes. Foreign attorneys may not represent parties before the TTAB, unless specifically permitted to do so under Patent and Trademark Rule 11.14(c). The TTAB cannot assist you in choosing an attorney.
