Apparatus and instruments in the nature of conductors, cables, switches, transformers, accumulators, micro controllers for conducting, switching, transforming, accumulating, regulating or controlling electricity in relation to vehicles, machines and engines; electric and electronic apparatus and instruments, namely, electric batteries, battery chargers, battery voltage testers, mounting devices for monitors and computers for use in vehicles, machines and engines, electric accumulators, electric compasses, electric circuit breakers, commutators, electric condensers, electric wiring harnesses, capacitors, electric relays, electronic time relays, electric switches, fuses for vehicles, machines and engines, electrical contacts for vehicles, machines and engines, electric cables, electric fuses; electric fuse boxes for vehicles, machines and engines; electrical sockets, electrical lighters, namely electric cigarette lighters for land vehicles, printed electrical circuits, integrated circuits; leads for electric, electronic and optical signals in the nature of leads, namely cable jump leads, optical fiber, high and low voltage electrical cable, coaxial cable for vehicles, machines and engines, connection cables, transformers; electronic headlamp beam setters; detectors in the nature of laser, radar, ultrasonic and smoke detectors for use on vehicles, machines and engines, switching devices in the nature of electric or electronic motor switches for switching off motors, switch boxes, solar cells and solar collectors; diagnostic apparatus for motor vehicles, namely for exhaust gas analysis, soot particle analysis, brake function analysis, diagnostic instruments and equipment for simulations of the operation of vehicles, machines and engines; engine testers for vehicles and machines for voltage, amperage, telephone lines and continuity; electrical power supplies; semiconductor components in the nature of semiconductor devices for vehicles, machines and engines; apparatus for recording, transmission or reproduction of data, sound or images and data processing equipment and computers, namely, radios, video screens, tape players, loudspeakers, amplifiers; telecommunication equipment in the nature of mobile phones, computers and GPS apparatuses; mobile car telephones; compact disc players; telematics terminals, namely, wireless Internet devices which provide telematics services and have a cellular phone function; emergency signal transmitters; navigation apparatus for vehicles and machines; radar detectors; traffic control systems in the nature of car, truck and bus navigation computers; transport supervision systems comprising computers, telephones and GPS apparatuses for location of vehicles and loads in the nature of Global positioning system consisting of computers, computer software, transmitters, receivers, and network interface devices; vehicle locating, tracking and security systems comprised of an antenna and radio transmitter to be placed in a vehicle; apparatus for recording, transmission or reproduction of sound and images for accident data monitoring and recording; auto-computers and on-board computers; calculators and pocket calculators; pre-recorded magnetic data carriers in the nature of hard disc, floppy disc, and magnetic tape/card featuring safety information, navigation information and information for operation of vehicles; computer software for use in vehicles, machines and engines for function of control of engine, gearbox, climate, vehicle stability and driver; computer hardware; video game cartridges; pre-recorded data carriers and recording media of all kinds, namely, compact discs and tape cassettes featuring information relating to the operation and function of vehicles, machines and engines; blank data carriers and recording media of all kinds, namely, compact discs and tape cassettes; disk storage boxes for recording media; data processors; highway emergency warning equipment in the nature of emergency flares; filters for radio interference suppression; aerials/antennas; gauges, measuring instruments and apparatus, namely for fuel, oil pressure, tire pressure, compressed air, temperatures, amperage, speed and engine revolutions; mileage recorders, namely odometers, tachometers; voltage regulators, voltmeters; chronographs for use as specialized time recording apparatuses; rudder position indicators; thermostats; dynamometers; brake fluid testers; automatic personal security alarm units; electronic parking assistance systems for vehicles in the nature of sensors for measuring a parking space; warning reflectors in the nature of warning triangles to indicate vehicle breakdowns; fire extinguishers; magnets; tape measures; thermometers; compasses; optical apparatus and instruments, namely, binoculars, magnifying glasses, spectacles, sun glasses and goggles; lenses for lamps for vehicles and machines and sun-proof optical lenses; sun glasses and goggles, ophthalmic eyeglass frames; warning triangles; clothing for protection against accidents; protective footwear; special protective clothing as life-saving equipment; workmen's protective face-shields, protective eye pieces, and masks

**Statement of Partial Grant of Protection Following a Provisional Refusal  
by the United States Patent & Trademark Office  
According to Rule 18ter(2)(ii) of the Common Regulations**

The United States Patent and Trademark Office hereby notifies the International Bureau of the GRANT OF PROTECTION in the United States for:

**International Registration No.:** 1274024

**Holder:** Volvo Trademark Holding Aktiebolag

**Mark:** VOLVO

Application Serial No. 79176504 was registered by the USPTO on May 09, 2017. The registration number is 5197688.

The grant of protection applies to the goods and/or services listed below:

**International Class: 01**

Goods and Services: Chemicals used in industry, in particular for use in the operation, repair, servicing and maintenance of vehicles, engines, motors and machines, namely drive units and construction machines, including brake fluids, fluids for hydraulic systems, antifreeze compositions, defrosting compositions being chemicals used in industry, rubber and plastic cements for repairing pneumatic tyres, rubber and plastic cement being adhesives for use in industry, industrial adhesives, industrial adhesives for use in coating and sealing, stain repellents, chemical agents for impregnating, binding or coating of textiles, furs, and leather, non-wovens and fabrics; coolants for vehicle engines; chemicals used in science and photography, agriculture, horticulture, and forestry; unprocessed artificial resins; unprocessed plastics; fertilizers; fire extinguishing compositions; tempering and soldering preparations; chemical substances for preserving foodstuffs; tanning substances for use in the manufacture of leather; enzymes for use in the tanning of leather; putty being oil cement, molding compound in the nature of synthetic putty for use in the manufacture of printing inks in the printing industry; adhesives used in industry; hydraulic oils

**International Class: 02**

Goods and Services: Paints; varnishes; textured additives for colorants and lacquers; anti-rust greases; rust preventatives in the nature of a coating; anti-corrosive coatings; anti-tarnishing preparations for coating metals; preservatives for use against deterioration of wood; colorants; oil soluble dyes; natural dyes; mordant dyes; mordants for use in the painting industry; raw natural resins; metals in foil and powder form for painters, decorators, printers, and artists; anti-rust oils

**International Class: 03**

Goods and Services: Bleaching preparations and other substances for laundry use, namely laundry bleach; cleaning, preservation, polishing, scouring and abrasive agents, in particular such for vehicles, engines, motors, and machines namely drive units and construction machines, namely detergents, windscreen/windshield washer fluids, automobile wax, automobile cleaning sprays, automobile shampoos, spray preservatives for automobiles, interior cleaning agents for automobiles, preparations for preserving vehicle surfaces including the surface areas of motors to keep them looking clean, rust removing preparations for vehicle rims; soaps; perfumery; essential oils; cosmetics; hair lotions, including perfume atomisers sold filled with perfume, toilet waters, non-medicated toilet preparations, namely cosmetics; powder boxes; shaving and after-shave preparations; oils, creams, and lotions for the skin; dentifrices

**International Class: 04**

Goods and Services: Industrial oils and greases; penetrating oils and lubricating oils being hydraulic oils; lubricants, namely, lock lubricants; lubricating oils; dust absorbing, wetting and binding agents; fuels namely motor spirits; solid, liquid, and gaseous fuels; illuminants, namely candles; candle wicks

**International Class: 05**

Goods and Services: Food for babies; medical dressings; filled first-aid kits; material for stopping teeth, namely dental wax; all-purpose disinfectants; preparations for destroying vermin; fungicides; herbicides

**International Class: 06**

Goods and Services: Common metals and their alloys; metal building materials, namely lining of metal for building purposes; transportable buildings of metal; metal railroad ties; non-electrical wires, cables, and cable terminals; speedometer cables of common metal; ironmongery, namely iron strips and iron gates; small metal hardware and goods of common metal, namely locks, latches, metallic tubes, industrial metal hoses, metallic valves for pipes not being parts of machines, pipes, pipe connections, screws, bolts, nuts, rivets, lock washers, spring washers, flat washers, chains other than drive chains for vehicles, plugs, split pins, shims, spacer rings, clamps, metal cable clips, metal clips for general use, metal Woodruff keys being part of metal screws and bolts, screw unions being connectors and parts of metal screws, spring bolts; metal shackles for lifting and rigging; ball joints being ball bearings as metal components for metal protective and security window shutters; ball joints being hinges of metal not for use with machines or vehicles; metal hardware

brackets for general use; metal liquid storage tanks; metal tank accessories being metal screws and bolts; metal nipples; metal fuel cans; metal ladders; metal ratchet handles; door handles of metal; road signs of metal; non-luminous and non-mechanical metal signs; wire baskets being hardware baskets of common metal; non-electric wire of common metal; metal cable wires; metal badges for vehicles being metal license plates; fasteners of metal being metal bars and chains; tow ropes of metal; canisters being metal cans; metal name badges; metal keys for locks; metal key blanks; key ring pendants being key rings of common metal that may be worn around the neck; metal pins being cotter pins; vehicle registration plates of metal; metal boxes; luggage labels of metal; ornaments, namely holiday ornaments of common metal; bronze holiday ornaments; metal safes; metal ores; metal exterior blinds

#### International Class: 07

Goods and Services: Motors and engines, other than for land vehicles, namely marine engines, aircraft engines, engines for industrial, agricultural, and forestry machines, stationary combustion engines, turbines; electric motors not for land vehicles; electric generators and alternators; high-frequency generators, namely electric generators; air cleaners, namely air filters for engines and anti-pollution devices for motors and engines; carburetors; catalytic converters for liquid fuels; fuel injectors; fuel injection pumps; fuel pumps; speed governors; injection nozzles and nozzle holders; machine valves; vaporizers; starters; ignition systems; ignition coils; glow plugs; spark plugs; spark plug connectors; lambda probes; magnetos; silencers, mufflers, and spark arresters for combustion engines; fuel filters; oil filters; air filters; rolling bearings, plain bearings, shafts, shaft seals, gearwheels, drive wheels, speed change gears, pulleys, drive chains and belts, springs, filters, pumps, regulators, relief valves, controls, fans and fan belts, all for engine cooling radiators; cooling fans, cooling radiators, starters, fuel feed apparatus, oil cooling apparatus in the nature of pumps for cooling engines, brakes, caps for cooling radiators, accelerators, hydraulic pumps, hydraulic cylinders, hydraulic reservoirs, hydraulic filters, hydraulic motors, hydraulic pipes, hydraulic valves, boost units for hydraulic transmission, all for machines, engines and motors; machine coupling and transmission components except for land vehicles, namely, power transmissions, gearboxes, transmissions, reverse gears, reduction gears, gearbox controllers, traction control systems, vehicle dynamics control systems, shaft connections, couplings, and clutches, exhausts, couplings and transmission belts; transmission components for machines, namely power transmission take-off units for motor vehicle engines, for use as prime movers, not for use in connection with land vehicles; inboard and outboard drive units and sailing boat drive units for inboard engines; hydraulic pumps and motors and components thereof; compressed air pumps as vehicle accessories not being for use with vehicles; bushes and bearings for engines and machines in the nature of machine parts; power steering systems in the nature of pneumatic controls and machine valves for machines that aid in guiding the machine in the right direction; exhaust-gas turbo-chargers; air compressors, compressed air brakes, compressed air reservoirs, compressed air cylinders, and compressed air motors all being compressors as parts of machines, motors and engines; bilge pumps; metal and plastics working machines; incubators for eggs; agricultural implements, namely agricultural seeding machines and reapers; construction machines being concrete construction machines; electronic control devices for production technology and servo drives being AC variable frequency drives that are used to control small and medium-sized motors; AC variable frequency drives that are used to control small and medium-sized motors in applications such as manufacturing processes, HVAC and pumps; power tools, namely gear cutters; electric can openers; hydraulic lift jacks; body and frame aligners for use in the manufacture and repair of vehicles, engines, and machines; packing and labelling machines; conveyors; conveyor belts; loading and handling machines for pressing plants and foundries; machines for the tooling of blanks; earth moving machines namely, loaders, dumper bodies, excavators, and replacement parts therefor; hydraulic tables, cranes, winches; bucket attachments for earth moving machines, namely grapple buckets; wood working machines, namely de-limb-ing, slashing, and debarking equipment; teeth and cutting edges for machines; car vacuum cleaners; car washing installations; bushings for use as parts of machines; automatic vending machines; cooling radiators for vehicles, motors, and engines; radiator caps being replacement parts of radiators for vehicles, motors, and engines; exhausts for motors and engines; compressed air motors not being for land vehicles; fans, fan belts, and bearings for motors and engines; replacement parts and replacement fittings for the above mentioned goods

#### International Class: 08

Goods and Services: Hand operated tools and implements, namely manually handled lifting jacks, hand tools sets comprising automobile sheet metal dent repair tool, shovels, hammers, wrenches, socket wrenches, wire strippers, wire cutters, bolt cutters, nut drivers, nippers, tongs, screwdrivers, four-way rim wrench, and scrapers; ice scrapers, non-electric can openers; hand operated implements for use in agriculture, horticulture, forestry and building, for the construction, maintenance and repair of apparatus, vehicles, engines, motors, and machines, namely, hammers, screwdrivers, drills, trimmers, saws, shovels, spades, cutters; cutlery, namely knives, forks and spoons; pocket knives; side arms, not including firearms, namely hunting knives; scissors, manicure sets and manicure tools namely nail buffers, nail files, nail clippers, cuticle pushers, tweezers, nail and cuticle scissors; razors and travel razors; hand tools, namely clamps

#### International Class: 09

Goods and Services: Apparatus and instruments in the nature of conductors, cables, switches, transformers, accumulators, micro controllers for conducting, switching, transforming, accumulating, regulating or controlling electricity in relation to vehicles, machines and engines; electric and electronic apparatus and instruments, namely, electric batteries, battery chargers, battery voltage testers, mounting devices for monitors and computers for use in vehicles, machines and engines, electric accumulators, electric compasses, electric circuit breakers, commutators, electric condensers, electric wiring harnesses, capacitors, electric relays, electronic time relays, electric switches, fuses for vehicles, machines and engines, electrical contacts for vehicles, machines and engines, electric cables, electric fuses; electric fuse boxes for vehicles, machines and engines; electrical sockets, electrical lighters, namely electric cigarette lighters for land vehicles, printed electrical circuits, integrated circuits; leads for electric, electronic and optical signals in the nature of leads, namely cable jump leads, optical fiber, high and low voltage electrical cable, coaxial cable for vehicles, machines and engines, connection cables, transformers; electronic headlamp beam setters; detectors in the nature of laser, radar, ultrasonic and smoke detectors for use on vehicles, machines and engines, switching devices in the nature of electric or electronic motor switches for switching off motors, switch boxes, solar cells and solar collectors; diagnostic apparatus for motor vehicles, namely for exhaust gas analysis, soot particle analysis, brake function analysis, diagnostic instruments and equipment for simulations of the operation of vehicles, machines and engines; engine testers for vehicles and machines for voltage, amperage, telephone lines and continuity; electrical power supplies; semiconductor components in the nature of semiconductor devices for vehicles, machines and engines; apparatus for recording, transmission or reproduction of data, sound or images and data processing equipment and computers, namely, radios, video screens, tape players, loudspeakers, amplifiers; telecommunication equipment in the nature of mobile phones, computers and GPS apparatuses; mobile car telephones; compact disc players; telematics terminals, namely, wireless Internet devices which provide telematics services and have a cellular phone function; emergency signal transmitters; navigation apparatus for vehicles and machines; radar detectors; traffic control systems in the nature of car, truck and bus navigation computers; transport supervision systems comprising computers, telephones and GPS apparatuses for location of vehicles and loads in the nature of Global positioning system consisting of computers, computer software, transmitters, receivers, and network interface devices; vehicle locating, tracking and security systems comprised of an antenna and radio transmitter to be placed in a vehicle; apparatus for recording, transmission or

reproduction of sound and images for accident data monitoring and recording; auto-computers and on-board computers; calculators and pocket calculators; pre-recorded magnetic data carriers in the nature of hard disc, floppy disc, and magnetic tape/card featuring safety information, navigation information and information for operation of vehicles; computer software for use in vehicles, machines and engines for function of control of engine, gearbox, climate, vehicle stability and driver; computer hardware; video game cartridges; pre-recorded data carriers and recording media of all kinds, namely, compact discs and tape cassettes featuring information relating to the operation and function of vehicles, machines and engines; blank data carriers and recording media of all kinds, namely, compact discs and tape cassettes; disk storage boxes for recording media; data processors; highway emergency warning equipment in the nature of emergency flares; filters for radio interference suppression; aerials/antennas; gauges, measuring instruments and apparatus, namely for fuel, oil pressure, tire pressure, compressed air, temperatures, amperage, speed and engine revolutions; mileage recorders, namely odometers, tachometers; voltage regulators, voltmeters; chronographs for use as specialized time recording apparatuses; rudder position indicators; thermostats; dynamometers; brake fluid testers; automatic personal security alarm units; electronic parking assistance systems for vehicles in the nature of sensors for measuring a parking space; warning reflectors in the nature of warning triangles to indicate vehicle breakdowns; fire extinguishers; magnets; tape measures; thermometers; compasses; optical apparatus and instruments, namely, binoculars, magnifying glasses, spectacles, sun glasses and goggles; lenses for lamps for vehicles and machines and sun-proof optical lenses; sun glasses and goggles, ophthalmic eyeglass frames; warning triangles; clothing for protection against accidents; protective footwear; special protective clothing as life-saving equipment; workmen's protective face-shields, protective eye pieces, and masks

#### International Class: 11

Goods and Services: Lighting apparatus, namely automotive headlamps and lamps, lamp assemblies in the nature of sets of lamps for vehicles and machines; lanterns for lighting; electric lanterns; lamp fittings for incandescent lamps; flashlights; electrical torches for lighting; reading lights; vehicle headlights comprised of LED bulbs, motors and machines; vehicle reflector reflecting lights; air heating apparatus being radiators, namely electric and non-electric radiators; ventilators for air conditioners; electric fans; metal valves for air conditioners and radiators; replacement parts for electric and non-electric air conditioners and radiators, ventilators, electric fans; compressed air ventilators for use in air conditioners and radiators; steam apparatus, namely steam generators; cooking apparatus, namely gas stoves; drying apparatus, namely clothes dryers; water supply apparatus, namely tank less water heaters; sanitary apparatus, namely toilets

#### International Class: 12

Goods and Services: Land vehicles, namely cars, vans, sport-utility vehicles, motorized and computerized golf carts, buses, trucks, tractor units, prime movers in the nature tow trucks, on- and off-road vehicles, dump trucks and parts, including components and accessories to these items which do not pertain to other classes, in the nature of structural parts for vehicles namely, vehicle chassis, vehicle bodies, braking installations, brake calipers, draw bars, bumper bars, clutches, engines, electric engines, motors, electric motors, turbines, combustion engines, starting devices for internal combustion engines, cylinders and motors for land vehicles, power transmissions, gearboxes in the nature of transmissions, transmission shafts, differential gears, drive gears, drive shafts, gear change selectors, exhaust cowl, axles, shafts and couplings, machine coupling and transmission components, manual and power steering apparatus, power steering systems, hydraulic steering systems, as well as component parts of these items, compressed air reservoirs, compressed air cylinders and anti-pollution devices, air pumps, anti-dazzle devices, anti-theft devices and alarms, vehicle immobilizing units, trailer hitches, power take-offs, springs, shock absorbers, wheels, wheel bearings, wheel trims, balance weights for wheels, engine mountings, tanks and fuel tanks, engine noise shields, protective covers, radiators grilles, front grills, fluid reservoirs, deflectors, direction indicators, hatches, upholstery, handles for doors, hoods, horns, hubs, hub caps, hydraulic circuits, tires, non-skid devices for tires, mud flaps, brakes, servo brakes and compressed-air brakes, antilock brake systems, brake pads and brake linings, bumpers, mudguards, fenders, cabs, cab tilt mechanisms, reversing alarms, mechanical controls, head rests for seats, arm rests, doors, seats, safety-seats, personal safety restraints seats, safety seats for children, tables for seats, seat covers, headrest covers, seat belts, devices for collision protection, parking assistance systems, sliding roofs, sun roofs, vehicle steering columns, steering wheels, steering linkages, stabilizer bars, suspensions, suspension lowering outfits, torsion bars, tow bars, windows, window winding mechanisms, power windows, windscreens, windshields and windscreens and windshields comprised of safety glass, windscreen and windshield and headlight wipers, defrosting systems for windscreens, wiper blades, vehicle window blinds, driving mirrors, mirrors in the nature of retro visors, tank caps, cover caps for extra headlights, starter cables, warning lamps, luggage restraints for vehicles, luggage nets, luggage carriers, wheel carriers, bicycle carriers, surfboard carriers, boat carriers, mud-guards, snow chains, pet screens, stone screens, storage screens, roof racks and ski racks, stowage boxes, deposit boxes, stowage compartments, trim panels, spoilers, side and rear skirts, safety cushions, air bags, breakdown cases, holders for mirrors, sun shades, mobile telephone mounting equipment; restraining systems for installation in motor vehicles, namely, belt tensioners, airbags and sensors; tires, pneumatic tires; adhesive rubber patches for repairing tire inner tubes; baby carriages; wheeled chairs for invalids; bicycles; rudders propellers; steering units in the nature of trimming vanes; steerage units; steering wheels and structural fittings for boats; electric lighters for automobiles starter motors for land vehicles

#### International Class: 14

Goods and Services: Jewellery and precious stones, namely cuff-links, tie clips; non-monetary coins; collectible coins; monetary coin sets for collecting purposes; medals; lapel pins; rings; model figures coated with precious metal; ornaments of precious metal; Horological and chronometric instruments, namely clocks and watches; travel alarm clocks; key fobs and key rings of common metal

#### International Class: 16

Goods and Services: Paper, cardboard and goods made from these materials, namely paper notepad cubes and note paper; printed matter, namely, books in the field of vehicles, engines, motors, and machines, motor sports, sailing, golf; instruction books in the field of vehicles, engines, motors, and machines; computer manuals for vehicles, engines, motors and machines, instruction manuals relating to computer software and computer software manuals for vehicles, engines, motors and machines; periodicals in the nature of monthly magazines and newsletters in the field of vehicles, engines, motors, and machines; magazines in the field of vehicles, engines, motors, and machines; newspapers; calendars; posters; stickers; banners and pennants of paper; country and road maps; printed spare parts lists; maintenance manuals in the field of vehicles, engines, motors, and machines; advertising materials in the nature of advertising signs of paper, printed advertising boards of paper, advertising pamphlets; printed publications, namely brochures, booklets, and teaching materials relating to automotive subjects; bookbinding material; adhesives for stationery or household purposes; artists' materials, namely paint brushes; photographs; stationery, namely pens and pencils; typewriters and office requisites other than furniture, namely, pen stands, letter holders, and paper knives; printed instructional and teaching material, except apparatus, in the field of vehicles, engines, motors, and machines; plastic materials for packaging, namely, plastic carrier bags; printers' type; printing blocks

#### International Class: 17

Goods and Services: Raw rubber, gutta-percha for use in the manufacture of vehicles, engines, motors, and machines; rubber gum for use in the manufacture vehicles, engines, motors, and machines; mica; plastics in extruded form for use in manufacture; rubber supports for motors, engines; reflex tape namely masking and insulating tape; asbestos felt rings; polymer-based patching and sealing compounds for masonry and wood; rubber tubes; rings of rubber for use as pipe connection seals for radiator pipes; radiator sealing compounds; plastic fasteners and connectors for pipes and cables, namely plastic insulators for electrical cables and plastic connections being plastic seals for rubber pipes; insulation covers of rubber or plastic materials for protecting mechanical components; mountings made of rubber or plastic materials for engines, transmission assemblies, and for exhausts; plastic materials in the form of non-textile sheets for use in the manufacture of roof coverings for vehicles; clutch linings; non-metal gaskets for pipes, excluding fibrous gaskets for ships; washers, other than washers for water taps, made of rubber or of vulcanised fibre; grommets made of rubber or of vulcanized fibre; non-metallic hoses; strips made of rubber or of plastics materials for sealing joints; packing and stopping materials, namely oil- based adhesive sealant and caulking compounds; sealing, locking and caulking compounds and fluids for jointings and packings; stuffings of plastic and rubber for engines and motors; insulating materials; non-metallic flexible pipes

#### International Class: 18

Goods and Services: Leather, imitations of leather and goods made of these materials namely leather bags, leather belts; animal skins; animal hides; boxes of artificial leather; bags, baggage bags; trunks and travelling bags; handbags; sports bags; briefcase-type leather business folders; umbrellas; pocket wallets; purses; back-packs; document cases; briefcases; business and credit card cases; leather cases for credit cards; vanity cases, not fitted; key cases; walking sticks; parasols; tool bags sold empty; whips; harnesses; saddlery

#### International Class: 20

Goods and Services: Non-metal locks for vehicles; mirrors; air cushions, not for medical purposes; inflatable plastic signs; registration plates not of metal; plastic storage containers for commercial or industrial use; memorabilia display frames to hold record albums; boxes in the nature of crates and plastic boxes; seat cushions, pillows; non-metal clamps; all aforesaid goods also as parts and fittings of vehicles; furniture; mirrors; furniture frames; indoor blinds; metal internal window blinds; window shades; paper window blinds; plastic collars and plastic cable clips both for fastening pipes and cables for vehicles, engines, motors, and machines

#### International Class: 21

Goods and Services: Acid-proof wash brushes used for the application of acid to vehicles for cleaning purposes; cleaning sponges; car wash leather, cleaning cloths and steel wool; unworked and semi-worked glass other than for building, including glass and safety glass for vehicles; household and kitchen utensils and vessels and containers not of precious metals or coated therewith, namely mugs, cups, insulated bags for food or beverage for domestic use, drinking bottles, bottle openers and trays; combs; washing brushes; brush-making materials; beverage glassware, porcelain mugs and stone beverage ware

#### International Class: 22

Goods and Services: Ropes; tow-ropes; string; unfitted spare wheel covers in the nature of unfitted tarpaulins and unfitted lashing straps of synthetic textile materials, excluding leather; snare nets; tents; awnings; tarpaulins; sails; sacks and bags of textile for packaging, storage, and transport of materials in bulk; padding and stuffing materials not of paper, rubber, or plastic; raw fibrous textile materials

#### International Class: 24

Goods and Services: Lap blankets, traveling blankets, blankets for outdoor use; unfitted winter seat covers of textile; towels; cloth pennants and flags; bed covers; plastic table covers; table cloths of paper; table cloths of textile; pennants of textile

#### International Class: 25

Goods and Services: Clothing, namely, belts, jackets, coats, pullovers, shawls, shirts, waistcoats, socks, scarves, ties, sweaters, T-shirts, overalls, coveralls, waterproof clothing, namely, raincoats, rain boots, rain trousers and rain capes; trousers, sleep wear; headgear, namely, caps, hats; footwear, namely, casual shoes

#### International Class: 26

Goods and Services: Lace and embroidery, ribbons, and braid; buttons; hooks and eyes; safety pins; sewing pins; sewing needles; sewing kits comprised of needles, thimbles, scissors and thread, sold as a unit; artificial flowers

#### International Class: 27

Goods and Services: Carpets, rugs, mats and matting for covering existing floors; linoleum and other floor coverings, in particular for vehicles; door mats; non-textile wall hangings

#### International Class: 28

Goods and Services: Games, playthings and toys, namely toy model hobby-craft kits, scale model vehicles, plush animals, board games, balloons, and beach balls; decoration for Christmas trees; gymnastic and sporting articles, namely balance beams, soccer balls, clubs, gloves, and balls for golf; sports racquets; fishing tackle; golf bags; playing cards

#### International Class: 35

Goods and Services: Retail store services and wholesale store services, namely in the field of vehicles, engines, motors, and machines, including drive units and construction machines, as well as of parts, fittings and accessories for the aforesaid goods, and of tools and workshop equipment, and of merchandise products; advertising; arranging and conducting incentive reward programs to promote the sale of vehicles, engines, motors, and machines; providing office functions and business administration services, including bookkeeping, business management and business management advisory services, in particular relating to the design, development, manufacture, sale, distribution, repair, and maintenance of vehicles, engines, motors, and machines, including drive units and construction machines, and of parts, fittings and accessories for the aforesaid; fuel, driver and speed management consulting services in the field of vehicle fleets; logistics services, namely, arranging the transportation for others

#### International Class: 36

Goods and Services: Real estate affairs in the nature of real estate investment; monetary and financial affairs, namely, credit card services; insurance administration; financing services including hire purchase and lease purchase financing services and leasing, in particular relating to vehicles, engines, and motors and machines, including machines in the nature of drive units and construction, transport, agricultural, and forestry machines, for parts, fittings and accessories for the aforesaid, and for tools and workshop equipment

#### International Class: 37

Goods and Services: Building construction; installation services related to vehicles, motors, and machines including drives and contract machines, namely, installation of electrical systems, appliances, windows, and theft prevention devices in vehicles; installation, service, repair, inspection, restoration, maintenance, reconditioning, diagnostic tuning, cleaning, painting, polishing, and preservation services of vehicles, engines, motors, and machines including drive units and construction, agricultural and forestry machines, power hand tools, workshop appliances, and devices, and parts, fittings, and accessories including telecommunication equipment for the aforesaid; emergency road side vehicle repair assistance; repair, servicing, and maintenance in the nature of looking after and overhauling of motor vehicles in motor-sport events; reservation of garage services for the maintenance and repair of motor vehicles; providing online technical information regarding vehicle repair; technical service for motor vehicles during motor-sports events in the nature of repair

#### International Class: 38

Goods and Services: Internet access provider services, telecommunication access services, and satellite communication services, namely telephone services relating to vehicle radio telephones; paging services; telecommunication and internet logistics services, namely internet access consultation services; telematics sending of information; computer-aided transmission and telematics transmission of information in the fields of traffic, technical information, sports, and entertainment; telematics sending of information provided to and on behalf of alarm centers that use GPS and GSM/3G for providing safety and routing services for land and air vehicles; unidirectional or bi-directional transmission of text, voice and alarm messages and of signal, measuring, sound, image, video, position, movement, state and working hour data between land vehicles, air vehicles, watercraft and locomotion systems, the load/cargo thereof as well as between engines, motors, and machines and a wide variety of service points also in the Internet, for emergency services, breakdown services and traffic information as well as for the remote checking and supervision and remote control and remote automatic control of land vehicles, air vehicles, watercraft and locomotion systems, the load/cargo thereof as well as between engines, motors, and machines; internet communication being email services, communications by computer terminals, computer aided transmission of messages and images; providing telecommunication channels for teleshopping services and chatrooms

#### International Class: 39

Goods and Services: Transport by air, ferry, boat, rail, car, bus, truck of persons and freight; salvaging of cars, buses, trucks, and engines, motors and machines; providing emergency transportation of passengers and goods by air, boat, rail, bus, car, truck; packaging of articles for transportation; warehousing services, namely, storage, distribution, pick-up, and packaging for shipment of documents, packages, raw materials, and other freight for others; rental of vehicles, engines, motors, and machines in the nature of packing machines, drive units, and construction, and transport machines all of the foregoing for use as transportation vehicles or packing apparatus; traffic information, namely, consultation in the field of traffic and transport, including mobile telematics applications; logistics services in the nature of traffic and transport, including mobile telematics applications, namely, traffic management services being creating special event traffic plans for others; logistics services, in the nature of vehicle fleet management and control, namely, vehicle routing by computer on data networks

#### International Class: 40

Goods and Services: Treatment of materials, namely engraving, surface treatment and finishing, in particular of metals, plastics, textiles, glass, wood, leather, rubber and of ceramics, in particular for use for vehicles, engines, motors and machines, and for parts, fittings and accessories thereof; recycling, incineration and destruction, in particular of vehicles, engines, motors and machines, and of parts and accessories thereof; sorting of waste and recyclable material, in particular from vehicles, engines, motors and machines, and from parts and accessories thereof

#### International Class: 41

Goods and Services: Education and training services, namely, conducting seminars, classes, lessons and courses in the field of vehicles, engines, motors, and machines; organization of exhibitions for educational purposes; entertainment, namely, organization of educational exhibitions in the field of vehicles, engines, motors, and machines; entertainment services, namely, arrangement of prize competitions in the field of automobile, truck, and yacht racing, bicycling, golf, and sailing conducting of sporting activities, namely, recreational and entertainment competitions in the field of automobile, truck, and yacht races, sailing, bicycling, and golf; cultural activities and events services in the nature of live musical concerts, opera, and theater; organizing and conducting sports, recreational, and entertainment competitions and functions, namely, organizing and conducting soccer and trivia competitions, organizing and conducting social entertainment events; sport camp services; camp services for sport activities; museum services; rental of sports equipment, except vehicles

#### International Class: 42

Goods and Services: Scientific research; development of new technology for others in the field of engineering and technology relating to air, land, and water vehicles, engines, motors, and machines, and transportation and logistics; design for others in the field of engineering, air, land, and water vehicles, engines, motors, and machines; technical consultation in the field of engineering, and engineering of air, land, and water vehicles, engines, motors, and machines and technical consultation in the field of transportation and logistics computer software; preparation of technical expert opinions, namely, providing engineering advice in the fields of engineering, air, land, and water vehicles, engines, motors, and machines and transportation and logistics; engineering services for others; research, development, and testing of new products for others; programming of data processing software, computer programming, installation, maintenance, and care of computer programs, in particular in the field of technical engineering, logistics and traffic and transport, telematics; information technology consulting services, namely, planning, design, and management of information technology systems; design and development of computer hardware and software; IT services for data processing centers, namely, monitoring of computer systems by remote access to ensure proper functioning of computer systems that detect, check, evaluate, and process alarms and data concerning land and air vehicles; technical consultation in the area of software design and computer programming in the field of recycling; technical consultation in the field of environmental protection; scientific research relating to the ocean; meteorological research; industrial analysis and research in the field of computer
