Geneva 20, Switzerland
World Intellectual Property
Organization(WIPO)International Bureau

STATEMENT OF GRANT OF PROTECTION
FOLLOWING A PROVISIONAL REFUSAL
TO THE INTERNATIONAL BUREAU OF WORLD INTELLECTUAL PROPERTY OFFICE (WIPO)
UNDER RULE 18ter(2) OF THE COMMON REGULATIONS

1. Office of the Designated Contracting Party:

Korean Intellectual Property Office (KIPO)
189 Cheongsa-ro, Seo-gu, Daejeon Metropolitan City, 35208, Republic of Korea

2. International Registration Concerned:

- (a) International Registration Number: 1274024
- (b) Name of the Holder: Volvo Trademark Holding Aktiebolag

3. Goods/Services Protected in the Republic of Korea:

[Class 01]

Chemical additives for internal combustion engine fuels; Anti-knock substances for internal combustion engines; Nitrogen oxide reducing agents for internal combustion engine; Chemical additives for motor oil; Rust inhibitors for automobile cooling systems; Soundproofing materials for automotive body tuning (chemicals); Shock-absorbing materials for automotive body tuning (chemicals); Chemical preservatives for use as corrosion inhibitors on automobile exhaust systems; Fillers for automobile body repair; De-icing sprays for windscreens; Chemical additives for automotive engine cooling waters; Chemical additives to motor fuel; Coating agents for exterior of automobiles; Preparations for protecting automotive glass membrane; Chemical additives for automobiles; Anti-freeze for vehicle radiators; Coolants for vehicle engines; Chemical additives for engine oils; Chemical preparations for decarbonising engines; Brake fluid; fluids for hydraulic systems, antifreeze compositions, defrosting compositions, rubber and plastic cements; Plastics, unprocessed; Polymerization plastics; Additives for processing plastics; Adhesives, other than for stationery or household purposes; Chemical compositions for waterproofing; Industrial adhesives for use in coating and sealing; Tire sealing compounds; water-repellent and spot-repellent agents (finishers), impregnation agents; coolants for vehicle engines, coolants (anti-boil preparations for engine); chemicals used in science and photography, agriculture, horticulture and forestry; unprocessed artificial resins, unprocessed plastics; fertilizers; fire extinguishing compositions; tempering and soldering preparations; chemical substances for preserving foodstuffs; tanning substances; Glaziers' putty; adhesives used in industry; hydraulic oils.

[Class 02]

Paints, varnishes, diluents for colorants and lacquers, also in spray or pen form; preservatives against rust, anti-corrosive agents; coating compositions and preservatives for metal (painting), metal and lacquer conservation agents; preservatives against deterioration of wood; colorants, dyes; mordants, including metal mordants; raw natural resins; metals in foil and powder form for painters, decorators, printers and artists;

anti-rust oils.

[Class 03]

Bleaching preparations and other substances for laundry use; Cleaning preparations for vehicle tyres and wheels; Windscreen cleaning liquids; Cleaning preparations for automobile tyres and wheels; Automobile polish; Aromatics for automobiles; Automobile cleaning preparations; Grinding preparations for automobiles; Automobile wax; Fragrances for cars; Degreasers for cars; Sudsing detergents; Beauty soaps; Body soaps; Disinfectant soaps; Liquid soaps; Soap powder; Soaps (not for personal use); perfumery, essential oils, cosmetics, Hair lotions; Perfume in atomisers; toilet waters, non-medicated toilet preparations, Perfumed powders; Body powders; shaving and after-shave preparations, oils, creams and lotions for the skin; dentifrices.

[Class 04]

Industrial oils; Industrial grease; All purpose penetrating oil; Lubricants; Automobile lubricants; lubricating oils; dust absorbing, wetting and binding agents; fuels (including motor spirit); solid, liquid and gaseous fuels; Illuminating wax; candles, Wicks for candles; Wicks for oil lamps.

[Class 07]

Motors and engines (except for land vehicles); Aeroplane engines; Engines for boats; Engines for marine vessels; Engines not for land vehicles; Hydraulic motors for industrial machines; Agricultural machines; Internal combustion engines for power generation, other than for land vehicles; Air turbines not for land vehicles; Air turbines for ships or aircrafts; Gas turbines for ships or aircrafts; electric generators and alternators; high-frequency generators; Air cleaners (parts of engines); Anti-pollution devices for motors and engines; anti-pollution devices for motors and engines; carburettors, converters for liquid fuels, injectors, injection pumps, fuel pumps, speed governors, injection nozzles and nozzle holders, machine valves, vaporizers, starters, ignition systems, ignition coils, glow plugs, spark plugs, spark plug connectors, lambda probes, magnetos, silencers/mufflers and spark arresters for combustion engines; Fuel filters (parts of engines); Fuel filters for engines for other than for vehicles; Fuel filters for vehicle engines; oil filters, Air filters for automobile engines; Air filters for engines for other than for vehicles; rolling bearings, plain bearings, shafts, shaft seals, gearwheels, drive wheels, speed change gear, pulleys, drive chains and belts, springs, filters, pumps, regulators, relief valves, controls, fans and fan belts, all for engine cooling radiators; cooling fans, Cooling radiators for motors and engines; starters for motors and engines; fuel feed apparatus, oil cooling apparatus, Band brakes (machine elements not for land vehicles); Block brakes [machine elements not for land vehicles]; Brakes for machines; Conical brakes other than for vehicles; caps for cooling radiators; accelerators other than for vehicles; hydraulic pumps, Hydraulic cylinders for machines; hydraulic reservoirs, hydraulic filters, Hydraulic motors for excavators; hydraulic pipes, hydraulic valves, Couplings for machines; Couplings for ships or aircrafts; Couplings other than for vehicles (parts of machines); Machine couplings and transmission components except for land vehicles; gearboxes for ships and aircrafts; gearboxes other than for vehicles; transmissions for ships or aircrafts; transmissions other than for vehicles;

reverse gears other than for vehicles; reduction gears other than for vehicles; gearbox controllers other than for vehicles; shaft connections (parts of machines); couplings other than for vehicles (parts of machines); clutches other than for vehicles; transmission belts (not for land vehicles); inboard/outboard drive units and sailing boat drive units for inboard engines; hydraulic pumps and motors and components thereof, air pumps as vehicle accessories; bushes and bearings (machine parts); power steering systems other than for vehicles; control valves (machine parts), braking valves (machine parts); exhaust-gas turbo-chargers; compressors, Compressed air brakes other than for vehicles; Compressed air reservoirs (parts of machines); Compressed air cylinders for machines; Compressed air motors other than for vehicles; bilge pumps; metal and plastics working machines; machines for the chemical industry, for agriculture, mining, textile machines, machines for the beverage industry; incubators for eggs; agricultural implements (not hand operated); Concrete construction machines; electronic control devices for production technology and servo drives; Machine tools; Broaches (machine tools); Chasers (machine tools); Dies for use with machine tools; Taps (machine tools); Rivet guns (power tools); Tile saws (power tools); electric can openers; hydraulic lift jacks, body and frame aligners; packing and labelling machines, conveyors, conveyor belts; Handling apparatus for loading and unloading; Handling machines, automatic (manipulators); Excavators; Earth moving machines; Loaders (earth moving machines); hydraulic lifting apparatus, cranes, winches; Loader buckets for excavators; Hydraulic grapple for excavators; wood working machines, including delimbing, slashing and debarking equipment; Digging teeth for excavators; Digging teeth for mining machines; Cutters (machines); Cutting stones for metal processing machines; Car vacuum cleaners; Automatic washing machines for vehicles; Vehicle washing installations; Bushings (parts of machines); automatic vending machines; Radiators for motors and engines; Radiators for vehicles; Radiator caps for motors and engines; Radiator caps for vehicles; Compressed air motors for boats; Fans for motors and engines; Fan belts for motors or engines; Bearings (parts of machines).

[Class 09]

Satellites for scientific purposes; distillation apparatus for scientific purposes; probes for scientific purposes; nautical apparatus and instruments; surveying instruments; photographic apparatus and instruments; cinematographic machines and apparatus; optical apparatus and instruments except for glasses and photographic apparatus; gas meters; distance measuring apparatus; gauges; electronic meters; weighing apparatus and instruments for standard unit; barometers; instruments for measuring length; level gauges; hygrometers; calorimeters; signalling bells; signal lanterns; rotating lights (signalling); signalling whistles; mirrors for inspecting work; weathering testers; speed checking apparatus for vehicles; electric and electronic video surveillance installations; life saving apparatus and equipment; audiovisual teaching apparatus; voltage testers; electric relays; electric power distribution machines and apparatus; terminals (electricity); transformers (electricity); adapters (electricity); electric contacts; portable rechargers; accumulator boxes; solar batteries; batteries and battery chargers; automatic control apparatus; electric controlling devices for superchargers; automatic controlling devices for turbo compressors; automatic vehicle speed control apparatus; electric control installations; electronic power controllers; remote control apparatus; remote controls for operating vehicle alarms;

charging devices, battery testers; electrical mounting cords; electrical mounting racks for computer hardware; electrical mounts for PDAs; electric accumulators, electric compasses, electric circuit breakers, commutators, electric condensers, electric wiring harnesses, capacitors; power relays; electromagnetic relays; electronic time relays; electric current switches; light switches; fuses, electrical contacts, electric cables, electric fuses; electric fuse boxes, electrical sensors, electrical sockets, printed electrical circuits, integrated circuits; electric leads; cable connections, cable drums; transformers; electronic headlamp beam adjustment controllers; acceleration measuring sensors for automobiles; speed sensors; air temperature sensors; auto light sensors; brake pad wear sensors; electronic sensors; flow sensors; impact sensors; lateral distance sensors for cars; sensors for use in the control of engines; microwave detectors (radar); ultrasonic vehicle detectors; apparatus and instruments for switching electricity; electronic switches; switchboards; electric switches; solar cells; analysers for motor vehicles, namely for exhaust gas analysis, soot particle analysis, brake function analysis, diagnostic apparatus for simulators for the steering and control of vehicles; engine testers, workshop test devices; high-frequency generators, power supply devices, electric powerline filters; semiconductor components, optoelectronic elements; module for optoelectronic elements; apparatus for testing tire air pressure; apparatus for testing vehicle transmissions; wheel testing equipments; apparatus for recording, transmission or reproduction of sound, images and data; data processing apparatus; computers; radio apparatus; video screens; tape players; loudspeakers; amplifiers; telecommunication equipment; car telephone installations; compact disc players; telematics terminals; transmitters for emitting distress signals; navigation instruments; radar apparatus; electronic traffic control apparatus; electric transport monitoring apparatus; global positioning system (GPS) tracking and location devices; black box for cars; black box for ships; electronic calculators; pocket calculators; magnetic data carriers; computer software; computer hardware; video games software; electronic data carriers; magnetic and optical data carriers; optical data media; blank compact discs; video cassettes; pre-recorded optical and magneto-optical discs (of music); downloadable electronic sound; pre-recorded music electronic media; pre-recorded video recordings (of non-music); downloadable video recordings; storage boxes for digital recording media; storage boxes for magnetic recording media; data processing equipment; highway emergency warning lamps; highway emergency warning cones (luminous); anti-interference devices (electricity); aerials/antennas; gauges, measuring instruments and apparatus, including such for fuel, oil pressure, tyre pressure, compressed air, temperatures, amperage, speed and engine revolutions; mileage recorders, odometers, tachometers; voltage regulators, voltmeters; time recorders, rudder indicators, instrument panels (electric); wireless cluster apparatus; dipsticks, thermostats, signaling lamps; dynamometers, brake testers, automatic steering apparatus for vehicles; temperature control apparatus (thermostats) for vehicles; temperature controllers apparatus for use in vehicle engines; electric motor controllers; electrical controlling devices for engines; internal combustion engine testing apparatus; automatic alarm units, anti-theft warning devices, electronic theft prevention apparatus; computer equipment for electronic parking assistance systems; warning reflectors for traffic signals; fire extinguishing apparatus; electronic monitors and regulators for engines and motors; magnets; tape measures; thermometers; compasses; optical apparatus and instruments except for glasses and

photographic apparatus; binoculars; magnifying glasses; spectacles (optics); optical lenses for sunglasses; sun glasses and goggles, ophthalmic frames; warning triangles; clothing for protection against accidents; protective shoes against accidents or injury; special clothing, namely lifesaving equipment, workmen's protective face-shields, protective eye pieces and masks; cash registers; level controllers [electrical apparatus], warning triangles, jumper cables, starter cables, safety nets.

[Class 11]

Lighting apparatus for vehicles; Light bulbs for directional signals for vehicles; Lights for vehicles; Running lights for land vehicles; Spot lights for use on vehicles; Vehicle headlights; Headlamps; Headlamps for automobiles; Electric lanterns; Lanterns for lighting; flashlights, Torches for lighting; reading lights; Anti-dazzle devices for vehicles (lamp fittings); Reflectors for automobiles; Vehicle reflectors; installations and apparatus for air filtering and air conditioning, ventilation, refrigerating or heating; Radiators, electric; Radiators (heating); ventilators, Fans (air-conditioning); metallic valves for pipes, parts for the aforementioned goods; compressed air ventilators, apparatus for steam generating, cooking, drying, water supply and sanitary purposes.

[Class 12]

Automobiles; vans (vehicles); sport-utility vehicles; golf carts (vehicles); motor buses; motor trucks; tractors; structural parts for tractors; traction control systems for automobiles; off-road vehicles; vehicle chassis; vehicle bodies; braking systems for vehicles and parts thereof; brake calipers for vehicles; torsion bars for vehicles, tow bars for vehicles; bumper bars for automobiles; clutches for land vehicles; engines for land vehicles, electric engines for automobiles; motors for land vehicles, electric motors for land vehicles, turbines for land vehicles; internal combustion engines for land vehicles; starting devices for internal combustion engines for automobiles; hydraulic brake cylinders; silencers/mufflers for automobiles; spark eliminators for automobiles; power transmissions for land vehicles; gearboxes for land vehicles; transmission shafts for land vehicles; differential gears for land vehicles; drive gears for land vehicles; drive shafts for land vehicles; gear change selectors for land vehicles; exhaust cowls for land vehicles; axles for land vehicles; shaft couplings for land vehicles; couplings for land vehicles; transmission components for land vehicles; steering wheels for vehicles; power steerings for automobiles, hydraulic steering systems for automobiles, hydraulic steering systems for boats; compressed air reservoirs for automobiles; compressed air cylinders for automobiles; anti-pollution devices for automobiles; air pumps for automobiles; anti-dazzle devices for vehicles (except for parts of lighting fittings); anti-theft devices for vehicles, anti-theft alarms for vehicles, anti-theft lock systems with immobilizer for vehicles; trailer hitches for vehicles; power take-offs for automobiles; spiral springs for vehicles, air springs for vehicles; shock absorbers for land vehicles; vehicle wheels; wheel bearings for land vehicles; wheel trims for automobiles; balance weights for vehicle wheels; engine mountings for land vehicles; fuel tanks for vehicles; engine noise shields for land vehicles; fitted protective covers for vehicles; radiator grilles for automobiles; front grills for automobiles; fluid reservoirs for automobiles; deflectors for automobiles; direction indicators for vehicles; hatches for vessels; upholstery for vehicles; automobile door handles;

automobile hoods; horns for vehicles; hubs for vehicle wheels; hub caps for automobiles; hydraulic circuits for automobiles; tires for vehicles; non-skid devices for vehicle tires, mud flaps for automobiles; brakes for vehicles, servo brakes and compressed-air brakes for vehicles; antilock brake systems for vehicles; vehicle brake pads; brake linings for vehicles; vehicle bumpers; mudguards; fender protectors (automobile parts); fenders for ships; cabs for automobiles; cab tilt mechanisms for automobiles; reversing alarms for vehicles; head rests for vehicle seats; arm rests for vehicles; doors for automobiles; vehicle seats; safety-seats for use in vehicle; personal safety restraints seats for vehicles; safety seats for children for vehicles; tables for seats in motor vehicles; seat covers for vehicles; headrest covers for vehicles; seat belts for use in vehicles; devices for collision protection for automobiles; parking assistance systems for automobiles; sliding roofs for automobiles; sun roofs for automobiles; steering columns for automobiles; steering linkages for automobiles; stabiliser bars for automobiles; suspension systems for vehicles; suspension lowering outfits for vehicles, windows for vehicles; window winding mechanisms for automobiles; power windows for automobiles; windscreens/windshields (also of safety glass) for automobiles; windscreen/windshield and headlight wipers for automobiles; defrosting systems for windscreens for automobiles; wiper blades for automobiles; window blinds for automobiles; driving mirrors for automobiles, mirrors (retrovisors) for automobiles; tank caps for automobiles, cover caps for extra headlights for automobiles; starter cables for automobiles; luggage restraints for automobiles, luggage nets for vehicles, luggage carriers for vehicles; wheel carriers for automobiles; bicycle carriers for automobiles; surfboard carriers for automobiles; boat carriers for automobiles; snow chains for automobiles; pet screens for automobiles; stone screens for automobiles; storage screens for automobiles; automobile roof racks, ski racks for automobiles; stowage boxes for automobiles; deposit boxes for automobiles; stowage compartments for automobiles; trim panels for automobiles; spoilers for automobiles; side and rear skirts for automobiles; safety cushions for automobiles, air bags (safety devices for automobiles); breakdown cases for automobiles; holders for mirrors in automobiles; sun shades for automobiles; mobile telephone mounting equipment for automobiles; restraining systems for installation in motor vehicles, namely belt tensioners, airbags and sensors; tires, pneumatic tires; adhesive rubber patches for repairing inner tubes; baby carriages, wheeled chairs for invalids; bicycles; rudders; propellers for boats; steerage units (cabin) in boats; steering wheels for boats; steering gears and rudders for boats; electric steering gears for boats; vehicles for locomotion by land, air or water; electrical lighters for automobiles; starter motors for land vehicles.

[Class 16]

Paper, cardboard; note books; note cards; note paper; printed matter, including books, instruction books, (computer/computer software) manuals, periodicals, magazines, newspapers, calendars, posters, stickers, banners and pennants of paper, country and road maps, spare parts lists, maintenance manuals, advertising materials, printed publications relating to automotive subjects; bookbinding material; adhesives for stationery or household purposes; artists' materials, paint brushes; photographs; stationery, including pens and pencils; typewriters and office requisites (except furniture), including pen stands, letter holders; paper knives (letter openers); paper knives (office requisites); instructional

and teaching material (except apparatus); plastic materials for packaging, including plastic carrier bags; printers' type; printing blocks; money clips.

[Class 18]

Leather and imitations of leather, Leather bags; Belts of leather; Briefcases (leather goods); animal skins, hides; boxes of artificial leather, bags, baggage bags, trunks and travelling bags, handbags, sports bags, umbrellas, pocket wallets, purses, back-packs, document cases, briefcases, card cases; vanity cases, not fitted; key cases, walking sticks, parasols, tool bags (empty); whips, harness and saddlery.

[Class 25]

Clothing; Outerclotthing; Leisure suits; Sportswear; Belts (clothing); Money belts (clothing); Jackets (clothing); coats, pullovers, shawl, shirts, waistcoats, socks, scarves, ties, sweaters, T-shirts, overalls, coveralls, waterproof clothing, rain wear, trousers, sleep wear; headgear, including caps, hats; footwear, including casual shoes.

[Class 28]

Games, Toys (playthings); Radio-controlled toy vehicles; Accessories for toy vehicles; Toy vehicles; Ride-on toys; Model cars; Toy models; Soft toys in the form of animals; Stuffed toy animals; Toy animals; scale model vehicles, games equipment, Play balloons; Toy balloons, beach balls; gymnastic and sporting articles, including clubs, gloves, bags and balls for golf, sports racquets, and fishing tackle; golf bags.

[Class 35]

Retail store and wholesale store services in respect of vehicles for locomotion by land, air, water or rail; retail store and wholesale store services in respect of engine/motor/rubber belts and brake for land vehicles; retail store and wholesale store services in respect of lighting apparatus for vehicles; retail store and wholesale store services in respect of hoods for vehicle engines; retail store and wholesale store services in respect of fitted covers for vehicle steering wheels; retail store and wholesale store services in respect of head-rests for vehicle seats; retail store and wholesale store services in respect of safety belts for vehicle seats; retail store and wholesale store services in respect of roof-mounted luggage racks for vehicles; retail store and wholesale store services in respect of fitted covers for vehicles; retail store and wholesale store services in respect of anti-dazzle devices for vehicles (except for parts of lighting fittings); retail store and wholesale store services in respect of vehicle bumpers; retail store and wholesale store services in respect of security alarms for vehicles; retail store and wholesale store services in respect of vehicle chassis; retail store and wholesale store services in respect of upholstery for vehicles; retail store and wholesale store services in respect of safety seats for use in vehicles; retail store and wholesale store services in respect of fuel tanks for vehicles; retail store and wholesale store services in respect of hydraulic circuits for vehicles; retail store and wholesale store services in respect of electric reversing alarms for vehicles; retail store and wholesale store services in respect of vehicle running boards; retail store and wholesale store services in respect of undercarriages for vehicles; retail store and wholesale store services in respect of windows for vehicles; retail store and

wholesale store services in respect of torsion bars for vehicles; retail store and wholesale store services in respect of trailer hitches for vehicles; retail store and wholesale store services in respect of remote control vehicles (other than toys); retail store and wholesale store services in respect of anti-theft devices for vehicles; retail store and wholesale store services in respect of body panels for vehicles; retail store and wholesale store services in respect of direction signals for vehicles; retail store and wholesale store services in respect of bodies for vehicles; retail store and wholesale store services in respect of side view mirrors for vehicles; retail store and wholesale store services in respect of seat covers for vehicles; retail store and wholesale store services in respect of steering wheels for vehicles; retail store and wholesale store services in respect of vehicle seats; retail store and wholesale store services in respect of rims for vehicle wheels; retail store and wholesale store services in respect of hubs for vehicle wheels; retail store and wholesale store services in respect of mudguards; retail store and wholesale store services in respect of engine mounts for land vehicles; advertising, organisation of promotional programs, office functions, business administration; book-keeping; business management and business management advisory services, in particular relating to the design, development, manufacture, sale, distribution, repair or maintenance of vehicles, engines/motors and machines (including drive units and construction machines), and of parts, fittings and accessories for the aforesaid; consultancy in the field of vehicle fleet management.

[Class 36]

Real estate investment services; financial investment in the field of real estate; financial consultancy relating to real estate investment; consultancy relating to financial and monetary affairs; credit card registration services; automobile insurance consultancy; automobile insurance information; automobile insurance services; providing extended warranties relating to vehicles, engines and motors and machines, including machines in the nature of drive units and construction, transport, agricultural and forestry machines, for parts, fittings and accessories for the aforesaid, and for tools and workshop equipment; hire-purchase financing relating to vehicles, engines and motors and machines, including machines in the nature of drive units and construction, transport, agricultural and forestry machines, for parts, fittings and accessories for the aforesaid, and for tools and workshop equipment; lease-purchase financing relating to vehicles, engines and motors and machines, including machines in the nature of drive units and construction, transport, agricultural and forestry machines, for parts, fittings and accessories for the aforesaid, and for tools and workshop equipment.

[Class 37]

Building construction; installation services of electrical and electronic apparatus and equipment; automobile electric appliance installation; installation of windows in vehicles; installation theft prevention devices in vehicles; automobile polishing; maintenance of interior and exterior of automobiles; automobile internals repair; repair of automobile dents; burglar alarm repair or maintenance; painting of automobiles; repair and maintenance of automobiles and parts thereof; automobile body repair and finishing for others; repair of motor vehicle parts and fittings; automobile detailing; providing information relating to the repair or maintenance of automobiles; car repair and maintenance; motor vehicle repair;

custom installation of automobile interiors; automotive amplifiers installation; rebuilding of automobile engines; automobile appearance restoration; automobile decoration; automobile cleaning and car washing; tuning of motor vehicles; automobile refinishing; change of parts for automobiles; repair or maintenance of heating and cooling systems for motor cars; automobile supplies repair; replacement of engines for land vehicles; emergency road side vehicle repair assistance; rental of hand-operated tools; maintenance, servicing and repair of motor vehicles in motor-sport events; reservation of garage services for the maintenance and repair of motor vehicles; providing information relating to vehicle repair; consultancy and advisory services relating to motor vehicle repair during motor-sports events.

[Class 39]

Transport, also of persons; salvaging, transportation, warehousing; rescue operations (transport); rescue of ships in distress; packaging of goods; packaging articles for transportation; transport/storage and packaging of goods; warehousing; transportation of goods; rental of vehicles; consultation in the field of traffic and transport, including mobile telematics applications; logistics services consisting of the transportation, packaging, and storage of goods; transportation logistics services; traffic information and control services; route guidance services; travel arrangement and tourist information services.

4. Decision:

All procedures before KIPO relating to the protection of the mark have been completed. The assigned examiner has decided to withdraw the provisional refusal dated 06/12/2016. Therefore the international registration is to be protected in the Republic of Korea for the designated goods/services listed in item 3.

5. Date on which the Decision was Pronounced:

16/08/2017

6. Official Seal or Signature by the Office:

KIPO Examiner KIM, Jun Tae 

<< Information >>

If the holder has any questions or needs assistance in responding to this notification, please contact the examiner.
