Extract from the Estonian Trademark Act

§ 10. Relative circumstances which preclude legal protection

(1) Legal protection shall not be granted to the following trade marks:

2) trade marks which are identical or similar to an earlier trade mark which has been granted legal protection with regard to identical goods or services or goods or services of a similar kind designated by the trade mark, if there exists a likelihood of confusion on the part of the public, which includes association of the trade mark with the earlier trade mark;

(2) Circumstances specified in clauses (1) 2)-6) of this section which preclude legal protection are not taken into account if the proprietor of the earlier trade mark or another earlier right consents to the registration of the later trade mark in writing.

§ 11. Earlier trade mark and other earlier rights

(1) "Earlier trade mark" means the following:

6) a Community trade mark registered on the basis of the Community Trade Mark Regulation if the filing date of the application, date of priority or the seniority date granted on the basis of the Estonian registration is earlier;

7) a Community trade mark filed for registration on the basis of the Community Trade Mark Regulation if the filing date of the application, date of priority or the seniority date granted on the basis of the Estonian registration is earlier. A trade mark filed for registration is an earlier trade mark only if it is registered.

§ 13. Representative for performing acts related to legal protection of trade marks

(2) A person with no residence, seat or commercial or industrial enterprise operating in Estonia shall authorise a patent agent as the person's representative to perform acts related to trade marks in the Patent Office and the Industrial Property Board of Appeal, except the filing of an application.

§ 38. Examination of trade marks

(2) If an examination reveals circumstances which preclude the legal protection of a trade mark, the Patent Office shall notify the applicant thereof and set a term of at least two months for the elimination of the said circumstances or the provision of explanations. If the applicant fails to respond by the due date, the application shall be deemed to be withdrawn.

§ 41. Adjudication of appeals and revocation applications

(2) An interested person may contest an applicant's right to a trade mark in the Industrial Property Board of Appeal if circumstances specified in subsection 9 (1) or § 10 of this Act which preclude legal protection exist. The term for the filing of a revocation application is two months as of the publication of the notice of the decision to register a trade mark.

§ 47. Withdrawal of applications, termination and resumption of processing

(3) An applicant may request that processing be resumed if the Patent Office terminated processing having deemed the application to be withdrawn pursuant to § 37, 38 or 46 of this Act and if the applicant failed to perform the acts due to force majeure or some other impediment independent of the applicant or the representative of the applicant.

§ 69. Effect of international registration

(1) Legal protection arising from an international registration valid in Estonia is equal to legal protection arising from a national registration and the rights and obligations arising from an internationally registered trade mark are equal to those arising from a nationally registered trade mark.
