Trade Marks Act, 1996

IN THE MATTER OF Irish
designation of International

Trade Mark No. 1406563 
in the name of LANDTOURER
AUTOMOBILE CO., LTD in
Class 12 and Opposition thereto
by FCA Group Marketing S.p.A

Notice of Opposition

We FCA Group Marketing S.p.A of Via Nizza, 250, I-10126 Torino, Italy (hereinafter referred to as 'the Opponent') hereby give notice of our intention to oppose the registration of the Irish designation of International Trade Mark Application for

, advertised under Trade Mark No 1406563 (hereinafter referred to as 'the said Mark') in Patents Office Journal No. 2370 dated 17 October 2018 at Page No 1807 in the name of Landtourer Automobile Co., Ltd (hereinafter referred to as 'the Applicant'). The grounds of opposition are as follows:

Grounds of Opposition:

1. The Opponent is the proprietor of International Trade Mark Registrations Nos. 1081942, 1108192 and 1108193 (designating the EU) and EU Trade Mark Registration No. 4139821, 5484639, 5676754, 7144595, 9959453, and 5998141. A list of these Trade Marks is set out in Schedule 1 to this Notice of Opposition (and are hereinafter referred to as 'the Earlier Trade Marks'), and full details are attached, market Attachment 1.
2. In addition, the Opponent is the owner of Trade Mark applications and Registrations worldwide corresponding with the Marks referred to at point 1

above. A list, and details of these Trade Marks is attached marked Attachment 2.

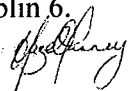

3. The Opponent has for many years used its Earlier Trade Marks in connection with the goods and services protected thereunder, as well as in connection with a wide variety of related goods and services and the Earlier Trade Marks denote, and have long denoted, both to the trade and the public, these goods and services.
4. The said Mark for which registration is sought is similar to the Earlier Trade Marks and it is to be registered for goods identical with or similar to those for which the Earlier Trade Marks are protected so that there exists a likelihood of confusion on the part of the public which includes the likelihood of association of the said Mark with the Earlier Trade Marks and registration of the said Mark would offend against Section 10 (2)(b) of the Trade Marks Act, 1996.
5. The said Mark is similar to the Earlier Trade Marks and is to be registered for goods which are dissimilar to, identical to and/or similar to those for which the Earlier Trade Mark is protected, the Earlier Trade Mark having a reputation in the State.
6. The use of the said Mark, without due cause, would take unfair advantage of, or be detrimental to, the distinctive character or reputation of the Earlier Trade Mark and registration of the said Mark would offend against Section 10(3) of the Trade Marks Act, 1996 (as amended by Section 38 of the Patents (Amendment) Act, 2006). The Mark applied for is composed exclusively of a juxtaposition of two famous, and well known Trade Marks of Italian automobile manufacturers - the "Horse" exclusively associated with Ferrari S.p.A, and the 'frame' Device, exclusively associated with the Opponent. The mark for which protection is sought contains, without any modification, an identical "frame" device to that which is contained within the Opponent's many earlier Trade Mark applications and registrations.

8. The Mark applied for is calculated both to deceive and to cause confusion. Mark applied for lead to the applicant's goods being passed or mistaken for the goods and/or services provided by, sold by, or sold for the opponent, and accordingly is liable to be prevented by virtue of the law of passing off. The use of the said Mark in the State is liable to be prevented by virtue of any rule of law protecting an unregistered Trade Mark, copyright, industrial right, design right or other sign used in the course of trade. Registration of the said Mark would offend against Section 10(4)(a) of the Trade Marks Act, 1996.
9. The Opponents Marks are well-known marks, and associated with the Opponent and its activities. The Opponents earlier Marks are accorded protection under Article 6*bis* of the Paris Convention. The Mark applied for reproduces and/or imitates an integral part of the Opponents well known Marks, which is likely to cause confusion. The Mark applied for offends against Section 61 of Trade Mark Act, 1996.
10. The use of the said Mark is prohibited in the State by any enactment or rule of law or by any provision of Community law, including any law protecting an unregistered Trade Mark. Registration of the said Mark would offend against Section 8(4)(a) of the Trade Marks Act, 1996.
11. The said Mark should be refused as the Applicant has failed to satisfy the requirements of registration in that the Applicant does not use nor has a *bona fide* intention of using the said Mark in relation to the goods/services covered by the Iris Designation of International Application No. 1406563 and registration of the said Mark, in Ireland, would therefore, be contrary to the provisions of Sections 37(2) and 42(3) of the Trade Marks Act, 1996.
12. The Opponent accordingly requests that the registration of the said Mark in Ireland be refused at the exercise of the Controller's discretion and an award of costs in the Opponent's favour is also requested.

Dated this 15th day of January 2019

On behalf of FCA Group Marketing S.p.A.
