TRADE MARKS ACT, 1996

IN THE MATTER OF Irish designation of
International Trade Mark Registration No.

1453355 in Class 28 in the
name of Shantou Chenghai Longjun Toy
Factory and Opposition thereto by
Lego Juris A/S

NOTICE OF OPPOSITION

We, Lego Juris A/S of Koldingvej 2, 7190 Bilund, Denmark (hereinafter referred to as "the Opponent"), hereby give notice of its intention to oppose the registration of the Trade Mark LEPIN Logo advertised under the above number 1453355 in Journal No. 2386 dated 29/05/2019. This opposition is directed against all the goods identified in the specification.

The Grounds of Opposition are as follows:-

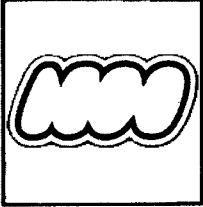

1. We have for many years carried on business at the above address as manufacturers of toys and related goods.
2. We are the proprietor of the LEGO (word) and LEGO (device) marks and in particular EU Trade Mark Registration Nos. 2829463, 39800 and 17976101 and particulars of the aforementioned Trade Marks are scheduled hereto. Each of the scheduled Trade Marks constitutes an earlier trade mark under Section 11 of the Trade Marks Act, 1996.
3. We have for many years extensively used the scheduled Trade Marks in connection with the aforesaid goods provided by us and the scheduled Trade Marks denote and have long denoted both to the trade and the public goods rendered by us and distinguish and have long distinguished such goods from the like goods of other traders.
4. The Mark for which protection is requested is similar to the scheduled Trade Marks and the goods for which registration is sought are identical or at least similar to the goods for which the scheduled Trade Marks are protected to the extent that there exists a likelihood of confusion on

the relevant part of the public which includes the likelihood of association. The application offends against Section 10(2)(b) of the Trade Marks Act, 1996.

5. The Mark for which protection is requested is similar to the scheduled Trade Marks and registration should be refused to the extent that the scheduled Trade Marks have a reputation in the State and use of the Trade Mark applied for without due cause would take unfair advantage of or be detrimental to the distinctive character or reputation of the scheduled Trade Marks. The Application offends against Section 10(3) of the Trade Marks Act, 1996.
6. Each of the scheduled Trade Marks constitute an earlier right in accordance with section 10(5) of the Trade Marks act, 1996 and a well known Trade Mark in accordance with Section 61 of the Trade Marks Act 1996.
7. The Mark for which protection is requested should be refused to the extent that the scheduled Trade Marks are well known trade marks in accordance with Article 6bis of the Paris Convention. The Mark for which protection is requested offends against Section 61 of the Trade Marks Act, 1996.
8. The Mark for which protection is requested should be refused to the extent that its use is liable to be prevented or prohibited in the State by virtue of any enactment or rule of law or by any provision of Community law protecting an unregistered Trade Mark or other sign used in the course of trade. The Application offends against Section 10(4)(a) of the Trade Marks Act, 1996.
9. The Mark for which protection is requested for is not used or proposed to be used by the applicant or with its consent in relation to the goods specified in the application and registration of the Trade Mark would therefore offend against the provisions of Section 37(2) of the Trade Marks Act, 1996.
10. The request for protection in respect of the Mark ought in the discretion of the Controller to be refused and costs awarded to the opponent.
