Extract from the Estonian Trademark Act

§ 10. Relative circumstances which preclude legal protection

- (1) Legal protection shall not be granted to the following trade marks:
- 2) trade marks which are identical or similar to an earlier trade mark which has been afforded legal protection with regard to identical goods or services or goods or services of a similar kind designated by the trade mark, if there exists a likelihood of confusion on the part of the consumers, which includes association of the trade mark with the earlier trade mark:
- 3) trade marks which are identical or similar to an earlier registered trade mark, regardless of whether the earlier trade mark has been afforded legal protection for identical, similar types of or different types of goods or services, if the earlier Estonian trade mark has a reputation in Estonia or if the earlier EU trade mark has a reputation in the European Union and the use without due cause of the later trade mark would take unfair advantage of, or be detrimental to, the distinctive character or the repute of the earlier trade mark;
- 7) trade marks which are identical or confusingly similar to an earlier trade mark protected in another state if the application is filed in bad faith;
- (2) The circumstances specified in clauses (1) 1)–8) of this section which preclude legal protection are not taken into account if the proprietor of the earlier trade mark or another earlier right consents to the grant of legal protection in writing.

§ 13. Representative for performing acts related to legal protection of trade marks

(2) A person with no residence, seat or commercial or industrial enterprise operating in Estonia shall authorise a patent attorney as the person's representative to perform procedures related to trade marks at the Patent Office and at the Board of Appeal, except the filing of an application.

§ 41. Adjudication of appeals and revocation applications

(2) An interested person may contest an applicant's right to a trade mark at the Board of Appeal if any circumstances specified in subsection § 10 of this Act which preclude legal protection exist. The term for filing a revocation application is two months from the publication of the notice of the decision to register a trade mark.

§ 47. Withdrawal of applications, termination and resumption of processing

(2) If an application is withdrawn in the manner specified in subsection (1) of this section or deemed to be partially or fully withdrawn in the cases specified in subsections 37 (3) and 38 (2) of this Act, processing of the respective part is terminated and the applicant is notified thereof. If processing is terminated, the application documents are not returned and the state fee is not refunded.
