Madrid Protocol Final Disposition on Status of a Mark Confirmation of Total Provisional Refusal Rule 18ter(3) of the Common Regulations

Further to the Notification of Total Provisional Refusal of Protection by IP Australia issued on 19 March 2019, IP Australia now advises a final decision in respect of the above mentioned International Registration.

Protection of international registration 1373925 is now refused for all the goods and/or services in Australia.

Sincerely,

IP Australia

IP Australia recognises that many of our customers may be struggling with the impacts of COVID-19. We remain open for business and our staff are working from home to ensure that our services can continue. We are committed to supporting you and we are here to help you through these difficult times. We have put in place a streamlined process for extension of time requests and associated fee waivers or refunds to assist customers impacted by the COVID-19 outbreak. Please visit our [website \(www.ipaustralia.gov.au\)](http://www.ipaustralia.gov.au) for guidance and Frequently Asked Questions (FAQs) related to your IP Right. If you would like to discuss your particular circumstances, please [contact us](#) directly. We will continue to update our website and FAQs with the latest information.
