Article 32 - A Mark is not registerable in the following cases:

- **a**) If it is not capable of distinguishing the goods or service of one enterprise from those belonging to another enterprise.
- **b**) If it is contrary to Rules of Sharia, public order or morality.
- c) If it is likely to mislead the public or trade centers, in particular as regards the geographical origin of the goods or services concerned or their nature or characteristics.
- **d)** If it is identical with, or is an imitation of or contains as an element, an armorial bearing, flag or other emblem, a name or abbreviation or initials of the name of, or official sign or hallmark adopted by, any State, intergovernmental organization created under an international convention, unless authorized by the competent authority of that State or organization.
- e) If it is identical with, or confusingly similar to, or constitutes a translation of, a mark or trade name which is well known in Iran for identical or similar goods or services of another enterprise.
- **f**) If an identical or similar mark has been registered or become well-known for services that are not similar provided that customarily there is a connection between the use of the mark and the owner of the well know mark and that its registration is likely to damage interests of the owner of the well-known mark.
- g) If it is identical with a mark registered in the name of a different proprietor with an earlier filing date or a priority right in respect of the same goods or services or for goods and services that, due to connection or resemblance, is likely to deceive or cause confusion.
