NOTIFICATION OF PROVISIONAL REFUSAL

This notification is issued by the Japan Patent Office (JPO) in accordance with Rule 17(1) and (2) of the Regulations under the Protocol Relating to the Madrid Agreement Concerning the International Registration of Marks and Section 15-2 and 15-3 of the Japanese Trademark Law.

I. International registration number: 1482290
 Mark: (figurative elements)
 Date of international registration: 2019/04/02
 Holder of the international registration:
 SDCIC CONSTRUCTION GROUP SHARES CO., LTD

II. This trademark application* shall be totally refused protection. The grounds for refusal are indicated under Item V. A copy of the corresponding provisions of the Japanese Trademark Law is attached to this notification.

III. This refusal is issued on October/05/2020 by

Seto Toshiaki (Mr.)
 Examiner
 Madrid Protocol Division
 Facsimile: +81-3-3593-2398
 Telephone: +81-3-3501-2392

IV. The holder may submit to the JPO a written opinion and/or an amendment against this provisional refusal within three months from the date of pronouncement. The written opinion and/or amendment must be submitted through a representative domiciled in Japan. The trademark claimed in this application can be protected, subject to amendments to be made by the holder of the international registration, as suggested under Item VI. Even if the above-mentioned time limit has past, the holder may submit to the JPO an amendment of the list of goods and/or services as long as the case is pending in examination, trial or retrial in JPO, provided that the date indicated in Item I is on and after April/01/2020. Alternatively, the holder may request a limitation of the list of goods and/or services in accordance with Rule 25(1)(a) of the Regulations under the Madrid Protocol. Such request must be submitted to the International Bureau of WIPO on Official Form MM6.

<Note>

All communications via telephone and facsimile except for general inquiries will be recorded and stored in the file wrapper disclosed upon request in order to secure transparency.

Any inquiries about this notification should be addressed to the examiner of the JPO <PA1T40@jpo.go.jp>.

* A request for territorial extension to Japan under the Protocol relating to the Madrid Agreement is deemed as a trademark application made in Japan in accordance with Section 68-9 of the Japanese Trademark Law.

V. The grounds for refusal

Ground 1

This application does not conform to the requirements provided for under Section 6(1) of the Trademark Law because some of the designated goods and services are inappropriately described in this application in a vague/broad manner(see below).

[vague/broad description]

Class 37 Repair information.

Ground 2

This trademark application does not satisfy the requirements under the main paragraph of Section 3(1) of the Trademark Law because of the following reason:

The main paragraph of Section 3(1) requires that registrable trademarks are currently in use or will be used in the near future; however, it is questionable whether the applicant currently uses or will use this trademark for all the goods/services below in the near future:

All the designated goods/services in Class 37

The above class contains too wide variety of goods/services within one class.

The applicant may respond to this ground by either one of the following procedures, (a), (b) or (c) [If the retail/wholesale services are meant to indicate "general retail/wholesale services", (a) or (b) only.]:

(a) Providing documents in order to prove that the applicant is currently conducting business in Japan in relation to the above goods/services. e.g. newspaper articles, catalogs, business documents etc.

(b) Providing following documents in order to show that the applicant is planning to conduct business in relation to the goods/services in Japan within three to four years from the date of the international registration or the subsequent designation:

(i) A written Declaration of Intention to Use stating the expected launching time of using the trademark in Japan and goods/services on which it will be used; and

(ii) Documents stating the current status and schedule of the applicant's business plan; or

(c) Limiting the goods/services to a reasonable range. [Item VI, if attached, is drafted to show an example of acceptable range of goods/services for your reference. Remaining goods/services are arbitrarily selected.]

<Note>

(1) The Examination Guidelines are available on the JPO website at http://www.jpo.go.jp/tetuzuki_e/t_tokkyo_e/pdf/tt1303-061_3_6.pdf

(2) The main points for filing an application regarding retail services or wholesale services are available on the JPO website at http://www.jpo.go.jp/tetuzuki_e/t_tokkyo_e/pdf/notice_services/points.pdf

(3) The above documents for (a) and (b) must be filed directly to the JPO, with a Japanese translation, through the intermediary of a representative domiciled in Japan.

VI. The trademark of this application will be protected if the goods and services are amended/limited as follows: (Examples are underlined. The underlined goods/services are the examples of amendment/limitation of the goods/services shown in V. Sometimes there are no underlined goods/services.)

Class 42 remains unchanged.

37 Building construction supervision; providing information about repairs of air conditioning apparatus, boiler, burner, heating equipment, computer hardware, telecommunication machines and apparatus, electric appliance, measuring and test equipment, medical apparatus and instruments, metalworking machines and tools;

 - (xvi) is likely to mislead as to the quality of the goods or services;
 - (xvii) is comprised of a mark indicating a place of origin of wines or spirits of Japan which has been designated by the Commissioner of the Patent Office, or a mark indicating a place of origin of wines or spirits of a member of the World Trade Organization which is prohibited by the said member from being used on wines or spirits not originating from the region of the said member, if such a trademark is used in connection with wines or spirits not originating from the region in Japan or of the said member;
 - (xviii) consists solely of features provided by Cabinet Order among features that are naturally provided to goods, etc. (goods, or packages of goods, or services; the same shall apply in Article 26(1)(v)); or
 - (xix) is identical with, or similar to, a trademark which is well known among consumers in Japan or abroad as that indicating goods or services pertaining to a business of another person, if such trademark is used for unfair purposes (referring to the purpose of gaining unfair profits, the purpose of causing damage to the other person, or any other unfair purposes, the same shall apply hereinafter) (except those provided for in each of the preceding items);
- (2) Where the State or a local government, an agency thereof, a non-profit organization undertaking a business for public interest, or a person undertaking a non-profit activity for public interest files an application for trademark registration falling under item (vi) of the preceding paragraph, the provision of the said item shall not apply.
- (3) Items (viii), (x), (xv), (xvii) and (xix) of paragraph (1) shall not apply to a trademark falling under any of the said items which does not fall under the said item at the time of filing of an application for trademark registration.

Article 5 Application for trademark registration

- (4) Where a person desires to register any trademark provided by Cabinet Order of the Ministry of Economy, Trade and Industry, the application shall state the detailed description of the trademark in the application pursuant to Ordinance of the Ministry of Economy, Trade and Industry, or affix materials provided by Ordinance of the Ministry of Economy, Trade and Industry to the application.
- (5) The statement and materials in the preceding paragraph shall specify the trademark for which a registration is sought.

Article 6 Single trademark on each application

- (1) An application for trademark registration shall be filed for each trademark and designate one or more goods or services in connection with which the trademark is to be used.
- (2) The designation provided for in the preceding paragraph shall be made in accordance with the class of goods and services provided by Cabinet Order.
- (3) The class of goods and services provided for in the preceding paragraph shall not be perceived as prescribing the scope of similarities of goods or services.

Article 7 Collective trademarks

- (1) A general incorporated association or other association (except those which do not have juridical personality, and companies), or any other association established pursuant to a special Act including business cooperative (except those which do not have juridical personality), or a foreign juridical person equivalent thereto shall be entitled to obtain a collective trademark registration with respect to a trademark to be used by their members.
- (2) For the purpose of the application of Article 3(1), in the case of the preceding paragraph, "applicant" in the said paragraph shall read "applicant or its members."
- (3) Any person who desires to register a collective trademark pursuant to paragraph (1) shall, at the time of filing of an application for trademark registration pursuant to Article 5(1), submit to the Commissioner of the Patent Office a document certifying that the applicant for trademark registration is a juridical person that falls under paragraph (1).

Article 7-2 Regional collective trademarks

- (1) Any association established by a special Act, including a business cooperative (those which do not have juridical personality are excluded, and limited to those which are established by a special Act providing, without a just cause, that the association shall not refuse the enrollment of any person who is eligible to become a member or that the association shall not impose on any of its prospective members any condition that is heavier than those imposed on its existing members), a commerce and industry association, chambers of commerce and industry or specified non-profit corporation specified in Article 2(2) of Act on

- (i) a trademark consisting solely of characters indicating, in a common manner, the name of the region and the common name of the goods or services pertaining to the business of the applicant or its members;
- (ii) a trademark consisting solely of characters indicating, in a common manner, the name of the region and the name customarily used as a name indicating the goods or services pertaining to the business of the applicant or its members; or
- (iii) a trademark consisting solely of characters indicating, in a common manner, the name of the region and the common name of the goods or services pertaining to the business of the applicant or its members or the name customarily used as a name indicating thereof, and characters customarily added in indicating, in a common manner, the place of origin of the goods or the location of provision of the services.

(2) The term "name of the region" as used in the preceding paragraph means, even prior to the filing of the said application, the name of the place of origin of the goods, the location of provision of services, or the name of the region which is considered to have a close relationship with the said goods or services to the equivalent extent, for which the trademark pertaining to the said application has been used by the applicant or its members, or abbreviation thereof.

(3) For the purpose of the application of Article 3(1) {limited to the part pertaining to items (i) and (ii)} in the case of paragraph (1), "applicant" in the said paragraph shall read "applicant or its members."

(4) Any person who desires to register a regional collective trademark pursuant to paragraph (1) shall, at the time of filing of an application for trademark registration pursuant to Article 5(1), submit to the Commissioner of the Patent Office a document certifying that the applicant for trademark registration is an Association, etc. and documents necessary to prove that the trademark for which the registration is sought contains the name of a region as provided in paragraph (2).

- (1) Where two or more applications for trademark registration relating to identical or similar trademarks which are to be used in connection with identical or similar goods or services have been filed on different dates, only the applicant who filed the application for trademark registration on the earlier date shall be entitled to register the trademark in question.
- (2) Where two or more applications for trademark registration relating to identical or similar trademarks which are to be used in connection with identical or similar goods or services have been filed on the same date, only one applicant who is to be determined by consultations among the applicants who filed such applications shall be entitled to register the trademark in question.
- (3) Where an application for trademark registration is abandoned, withdrawn or dismissed, or an examiner's decision or a trial decision on an application for trademark registration becomes final and binding, such application shall, for the purposes of the application of the preceding two paragraphs, be deemed never to have been filed.
- (4) In the case of paragraph (2), the Commissioner of the Patent Office shall require the applicants for trademark registration to arrange consultations among the applicants as set forth in the said paragraph and to report the result thereof, designating a reasonable time limit for such purpose.
- (5) Where no agreement is reached in the consultations held pursuant to paragraph (2) or no report is submitted within the designated time limit set forth in the preceding paragraph, only one applicant, selected by a lottery in a fair and just manner conducted by the Commissioner of the Patent Office, shall be entitled to register the trademark in question.

Where an application for trademark registration falls under any of the following items, the examiner shall render a decision to the effect that the application is to be refused:

- (i) the trademark pertaining to an application for trademark registration is not registrable pursuant to the provisions of Articles 3, 4(1), 7-2(1), 8(2), 8(5), 51(2) (including the case of its *mutatis mutandis* application under Article 52-2(2)), 53(2) of this Act or Article 25 of the Patent Act as applied *mutatis mutandis* under 77(3) of this Act;
- (ii) the trademark pertaining to an application for trademark registration is not registrable pursuant to the provisions of a relevant treaty; or
- (iii) the application for trademark registration does not comply with the requirements provided in Article 5(5), or Article 6(1) or 6(2).

(1) Where a trademark pertaining to an application for trademark registration is identical with, or similar to, another person's trademark pertaining to an application for trademark registration filed prior to the filing date of the said application, if the said trademark is used for goods or services identical with, or similar to, the designated goods or designated services pertaining to such other person's trademark, the examiner may notify the applicant for trademark registration of the fact that the said application for trademark registration will fall under Article 15(i) when the said other person's trademark is registered, and provide the applicant with an opportunity to submit a written opinion, designating a
