4. The provisions of this article, paragraph 1, sub-paragraphs "a" to "c", apply also to trademarks that have been filed for non identical products, if these trademarks may mislead the consumer and give reason to suppose a relation between these products and the owner of a trademark registered or protected without registration or considered as well-known in the Republic of Armenia, taking into consideration therewith the prejudicial effects that this fact may cause to the interests of the owner of the said trademark.

5. The provisions of the paragraph 1 of this article shall not apply to identical geographical appellations for ascertainment of wines, if they are accompanied in conjunction with complementary distinctive elements, provided that the requirements set forth in the article 11, paragraph 3, sub-paragraph "b", of this Law are observed.
