The appeal must be received by the Turkish Patent Institute no later than 2 months after the notification date of this provisional refusal by WIPO to the applicant or his representative. If no appeal is received within this time limit, the designation will be considered as refusal of protection in Turkey in accordance with this provisional refusal.

If the designation is accepted subsequent to an appeal, the designation will be published in Turkish Official Trademark Bulletin. This allows -3 months from the date of publication – a party to file an opposition, which means that the designation may be the subject of a further refusal.
