2 . International Registration Number : **961854**

3 . Name of holder of the International Registration :

4 . The grounds for this refusal are indicated in the attached statement(s) of refusal. Where the refusal relates to more than one Singapore trade mark number, there is a separate statement of refusal for each Singapore trade mark number. Each statement of refusal contains a Singapore trade mark number for the class(es) and a Singapore reference number (stated as "Our Ref" in the statement of refusal). The International Registration number, Singapore trade mark number(s), corresponding class number(s) and Singapore reference number(s) must be quoted in all correspondence with the Intellectual Property Office of Singapore.

5 . The relevant provisions of Singapore law are attached.

6 . This refusal applies to all the goods and services in Class(es) 25, 28, 32, 41 and 43 of the international registration.

7 . The holder of the international registration may request for a review of this refusal. The request for review must be received by the Intellectual Property Office of Singapore no later than four (4) months from the date of this refusal.

The request for review must quote the International Registration number, relevant Singapore trade mark number(s), corresponding class number(s) and Singapore reference number(s) and be accompanied by an address for service in Singapore filed on Form TM 1. The fee payable for Form TM 1 is SGD8.50 for each Singapore trade mark number.

The holder may request for an extension of time to respond to the refusal by filing Form TM 49. There is no fee for the filing of this form. However, one Form TM 49 must be filed for each Singapore trade mark number in respect of which the request is made. The International

Registration number, relevant Singapore trade mark number(s) and Singapore reference number(s) must be quoted on each Form TM 49.

Both Form TM 1 and Form TM 49 can be obtained from the web site of the Intellectual Property Office of Singapore at <http://www.ipos.gov.sg/topNav/form/Trade+Marks+Forms.htm>.

PROVISIONS OF SINGAPORE LAW

TRADE MARKS ACT (CHAPTER 332)

Section 2(1) Interpretation

"earlier trade mark" means -

- (a) a registered trade mark or international trade mark (Singapore), the application for registration of which was made earlier than the trade mark in question, taking account (where appropriate) of the priorities claimed in respect of the trade marks; or
- (b) a trade mark which, at the date of application for registration of the trade mark in question or (where appropriate) of the priority claimed in respect of the application, was entitled to protection under the Paris Convention or the TRIPS Agreement as a well known trade mark,

and includes a trade mark in respect of which an application for registration has been made and which, if registered, would be an earlier trade mark by virtue of paragraph (a) subject to its being so registered.

Section 8 Relative grounds for refusal of registration

(1) A trade mark shall not be registered if it is identical with an earlier trade mark and the goods or services for which the trade mark is sought to be registered are identical with the goods or services for which the earlier trade mark is registered.

(2) A trade mark shall not be registered if because -

- (a) it is identical with an earlier trade mark and is to be registered for goods or services similar to those for which the earlier trade mark is protected; or
- (b) it is similar to an earlier trade mark and is to be registered for goods or services identical with or similar to those for which the earlier trade mark is protected,

there exists a likelihood of confusion on the part of the public.
