**VIII. Corresponding essential provisions of the Lithuanian Law on Trade Marks [(see text under XII)]:\***

Article 7 (1)(2)

**IX. Information relating to subsequent procedure:**

The proprietor of a mark of international registration against which an opposition has been filed must within a five months period from the date of this notification present a justified reply to opposition. The justified reply should be addressed to the Appeals Division of the State Patent Bureau. It should be presented in Lithuanian language and an address for the correspondence in the territory of the Republic of Lithuania should be indicated. Where the trademark owner is not a resident of the Republic of Lithuania or another member state of the European Union, neither he has subsidiary or representation registered in the Republic of Lithuania or another member state of the European Union, the justified reply should be presented through a patent attorney of the Republic of Lithuania. The list of patent attorneys is available on <http://www.vpb.gov.lt/engl/>. The time limit expires on **03.08.2016**.

## **XII. Corresponding essential provisions of the Lithuanian Law on Trade Marks:**

### **Article 5. Signs of Which a Mark May Consist**

Marks, with respect to which legal protection under this Law is applicable, may consist of any signs that can be represented graphically, for example:

- 1) words, personal surnames, names, artistic pseudonyms, names of the legal entities, slogans;
- 2) letters, numerals;
- 3) drawings, emblems;
- 4) three-dimensional forms (the shape of goods, their packaging or containers);
- 5) colours or combinations of colours, their compositions;
- 6) any combination of signs specified in subparagraphs 1-5 of this Article.

### **Article 6. Absolute Grounds for Refusal of Registration or Invalidation of a Mark**

1. A sign shall not be recognised as a mark and shall be refused registration or the registration of a registered mark shall be declared invalid if:

- 1) the sign cannot constitute a mark under the requirements of Article 5;
- 2) the sign is devoid of any distinctive character;
- 3) it has become customary in the current language or in the *bona fide* and established practices of the trade;
- 4) it consists exclusively of signs or indications which may serve, in trade, to designate the kind, quality, quantity, intended purpose, value, geographical origin or the time of production of the goods or of rendering of the service, the mode of production or other characteristics of the goods and/or services;
- 5) the sign is of such a nature as to mislead the public, for instance as to the nature, quality or geographical origin of the goods and/or services;
- 6) the sign is contrary to accepted principles of morality or public policy, including ethics of society and humanitarian principles;
- 7) the sign consists exclusively of the shape which results from the nature of the goods themselves or the shape of goods which is necessary to obtain a technical result or the shape which gives substantial value to the goods;
- 8) the sign consists of the official or traditional (abbreviated) state name of the Republic of Lithuania, or armorial bearings, flag or other state heraldic objects or any imitation from a heraldic point of view, also official signs and hallmarks indicating control and warranty, stamps, medals or marks of distinction, unless the permission for their use in a mark has been issued according to the established procedure by the institution authorised by the Government of the Republic of Lithuania;
- 9) it consists of the signs the registration of which has not been authorised by the competent authorities of other states or international organisations and the registration of which is to be refused or invalidated pursuant to Article 6ter of the Paris Convention;
- 10) it is a sign of high symbolic value, in particular a religious symbol;
- 11) it contains or consists of a geographical indication with respect to goods not originating in the territory indicated, if use of the indication in the mark for such goods in the Republic of Lithuania is of such a nature as to mislead the public as to the true place of origin of the goods. The above provision shall also be applicable against a geographical indication which, although literally true as to the place of origin of the goods, falsely represent to the public that the goods originate in another territory;
- 12) it contains or consists of a geographical indication identifying wines for wines or spirits for spirits not originating in the place indicated by the geographical indication in question, even where the true origin of the goods is indicated or the geographical indication is used in translation or accompanied by expressions such as "kind", "type", "style", "imitation" or the like.

2. In the cases provided for in subparagraphs 2, 3 or 4 of paragraph 1 of this Article, a sign may be recognised as a mark and its registration may not be invalidated if, before the date of application for registration, after the date of filing of the application or registration of the mark and following the use which has been made of it, it has acquired distinctive character.

### **Article 7. Other Grounds for the Invalidation of Registration**

1. Registration of a mark shall be declared invalid if the mark is:

- 1) identical with an earlier mark, and the goods and/or services for which the mark is registered are identical with the goods and/or services for which the earlier mark is applied for or is registered;
- 2) identical with or similar to the earlier mark and because of the identity or similarity of the goods and/or services covered by the marks there exists a likelihood of confusion on the part of the public; the likelihood of confusion includes the likelihood of association with the earlier mark;
- 3) identical with the mark recognised as well-known in the Republic of Lithuania in the manner prescribed by Article 9 of this Law, the proprietor of which is another person, or because of its similarity to the mark it is liable to mislead the public;
- 4) identical with the name of the legal entity or processing a misleading likelihood to the name of the legal entity, whose proprietor is another person who acquired the right to the name of the legal entity in the Republic of Lithuania before the date of filing of the application for the registration of the mark or the date of the priority, if on the specified date the firm had a right to engage in identical or similar trade to which the goods and/or services covered by the registered mark may be attributed;

5) identical with the geographical indication protected in the Republic of Lithuania or possessing a misleading likelihood thereto, except for the indication incorporated in the mark as the disclaimer, for which registration is applied for by a person entitled to use the geographical indication;

6) identical with the protected industrial design or any other object of industrial property, literary, scientific or artistic work protected under the copyright, the name or surname or artistic pseudonym of a famous person, or the portrait of another person or its likelihood to the above is misleading, except in cases where consent has been granted by the owner of the rights or the successor to them.

7) identical with, or similar to, an earlier Community trade mark and where the later mark has been registered for goods and (or) services which are not similar to those for which the earlier Community trade mark is registered, where the earlier Community trade mark has a reputation in the European Community and where the use of the later mark without due cause would take unfair advantage of, or be detrimental to, the distinctive character or the repute of the earlier Community trade mark.

8) identical with, or similar to, an earlier trade mark and where the later mark has been registered for goods and (or) services which are not similar to those for which the earlier trade mark is registered, where the earlier trade mark has a reputation in the Republic of Lithuania and where the use of the later mark without due cause would take unfair advantage of, or be detrimental to, the distinctive character or the repute of the earlier Community trade mark (...)

3. Registration of the mark may be declared invalid where it becomes evident that the application for the registration of a mark was made in bad faith by the applicant.

#### **Article 11. Filing of an Application**

2. (...) Foreign nationals who are not permanent residents of the Republic of Lithuania or another member state of the European Union, or another state of the European Economic Area and legal persons of foreign states who do not have a subsidiary or representation registered in the Republic of Lithuania or another member state of the European Union, or another state of the European Economic Area shall file applications to the State Patent Bureau and perform all actions relating to the registration of the mark with the State Patent Bureau, including also representation at the Appeals Division, through the patent attorney of the Republic of Lithuania (...)

#### **Article 18. Opposition**

1. Within a period of three months following the publication of the registered Mark in the Official Bulletin of the State Patent Bureau, the interested person may give to the Appeals Division a justified written opposition to registration of the mark on the grounds that it may not be registered under Articles 6 and 7 of this Law (...)

7. The decision made by the Appeals Division may be appealed against to the Vilnius County Court within six months from the day of adoption thereof.

8. Decisions made by the Appeals Division shall be published in the Official Bulletin of the State Patent Bureau.

#### **Article 19. Appeal and Opposition Examination at the State Patent Bureau**

1. Appeals and oppositions are examined at the written or public oral proceedings of the Appeals Division (...)

3. (...) Where appeals and oppositions are examined at the oral proceedings the applicant, the interested person, the proprietor of the mark against which opposition has been filed or the representatives of the above persons are invited to take part in the examination proceedings of the Appeals Division, however their absence shall not prevent from examination of the appeal or opposition (...)

#### **Article 34. Special Provisions Applicable to International Registration of a Mark**

(...)

4. The proprietor of a mark of international registration against which an opposition has been filed must within a five months period from the date of Notification of Refusal to the International Bureau appoint his representative in the manner laid down in paragraph 2 of Article 11 of this Law and present a justified reply to opposition. Failure to present a justified reply to the opposition shall be considered as a refusal to take part in the examination of the opposition and shall not prevent the Appeals Division from examining the opposition in the absence of the proprietor of the mark of international registration or his representative. If the proprietor of the mark of international registration to which the opposition is filed fails to appoint his representative, the decision made by the Appeals Division shall not be communicated to the proprietor of the mark of international registration (...)

#### **Article 49. Institutions Having Jurisdiction in Disputes Relating to Marks**

1. The Appeals Division of the State Patent Bureau shall deal with disputes provided for in Article 18 of this Law.

2. The Vilnius County Court shall deal with disputes relating to:

- 1) decisions of the Appeals Division of the State Patent Bureau;
- 2) invalidation of registration of a mark;
- 3) revocation of registration of a mark;
- 4) enforcement of the proprietor's rights;
- 5) recognition of the mark as well-known in the Republic of Lithuania;
- 6) Community trade marks as defined in the Council Regulation on Community Trade Mark.

**3** Bleaching preparations and other substances for laundry use; cleaning, polishing, scouring and abrasive preparations; cleaning, bleaching and abrasive preparations and substances, all for laundry use; including all the aforesaid made from unbleached and/or organic and/or biodegradeable ingredients.

**4** Industrial oils and greases; lubricants; fuels (including motor spirit) and illuminants; fuel additives and preparations for enhancing combustion of fuels.

**7** Machines and machine tools; motors and engines (except for land vehicles); turbines for power generation; electrical and electronic equipment for use in the generation of alternative energy including wind power, hydroelectric power, tidal power, geothermal power, biomass, and biofuels; parts and fittings for all the aforesaid goods.

**9** Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, radio, television, sound recording, sound reproducing, telecommunications, signalling, checking (supervision) and teaching apparatus and instruments; apparatus for recording television programmes; apparatus for recording, transmission, reproduction or reception of sound, images or audio visual content; electrical and electronic apparatus for use in the reception of satellite, terrestrial or cable broadcasts; televisions; LCD and plasma screens; home cinema systems; amplifiers; speakers; radios; wireless audio and/or audio visual devices; portable wireless audio and/or audio visual devices; remote controls; games controllers; wireless gaming controllers; wireless keypads; television receivers including a decoder; set-top boxes; digital set-top boxes; high definition set top boxes; personal video recorder; set-top boxes for use in decoding and reception of satellite, terrestrial and cable broadcasts; apparatus for decoding encoded signals including set top boxes for television reception; set top box apparatus including a decoder and an interactive viewing guide; set top box apparatus including a decoder and a recorder for recording television and audio programmes; set top box apparatus including a decoder and a recorder programmable to transfer stored recordings to storage and also to delete the older recordings; satellite dishes; low noise blocks; satellite meters; computer software to enable searching of data; encoded programs for computers and for data processing and telecommunications; telephones; mobile telephones; PDAs; telephone and radio modems; television receivers including a decoder; set top boxes for use in decoding and reception of satellite, terrestrial cable and digital subscriber line (DSL), Internet or other electronic broadcasts; apparatus for decoding encoded signals; recorded television and radio programmes; recorded programmes for broadcasting or other transmission on television, radio, mobile telephones, PDAs and on PCs; video recordings; multimedia apparatus and instruments portable or hand-held computers; DVD players; computers; computer hardware; computer hardware, apparatus and instruments all for transmitting, displaying, receiving, storing and searching electronic information; computer programs; electronic computer games; electronic interactive computer games; computer software; computer software and telecommunications apparatus to enable connection to databases and the Internet; computer software supplied from the internet; network termination equipment; wired and/or wireless computer network routers, modems, firewalls and/or bridges; computer software and computer programs for distribution to, and for use by, viewers of a digital television channel for the viewing and purchase of goods and services; computer games software and computer quiz software; computer video games and/or quizzes adapted for use with television receivers and screens or with video monitors or with computer screens; computer programs for interactive television and for interactive games and/or quizzes; electronic apparatus adapted for use with television receivers in playing games; games consoles; interactive video game devices comprised of computer hardware and software and accessories, namely game consoles, game controllers and software for operating game controllers; portable and/or handheld electronic devices for interactive computer and video games; portable and/or hand-held electronic devices for receiving, playing and transmitting music, sounds, images, text, signals, information and code; electronic publications; computer game; computer video games; video screens; video projectors; tapes, discs and wires, all being magnetic; cassettes and cartridges, all adapted for use with the aforesaid tapes; blank and pre-recorded audio and video cassettes, tapes and cartridges; compact discs; DVD discs; phonographic records; laser readable discs for recording sound or video; ROM cartridges, CD Roms, cards and discs, integrated circuit cards, memory carriers, recording media, all pre-recorded with computer video games and/or quizzes; encoded cards; radio and television signal antennae; music, sounds, videos, images, text and information provided by a telecommunications network, by on-line delivery and by way of the Internet and/or the world-wide web or other communications network; interactive sound and/or audio recordings; music, video, sound and/or audio recordings (downloadable) provided from MP3 Internet websites; MP3 players, MP3 readers; audio and/or video file recorders and/or players; portable audio and/or video file recorders and/or players; telephone ring tones (downloadable); apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus and instruments for the reception of radio and television broadcasts including the reception of cable, satellite and digital broadcasts; smart cards; credit cards; loyalty cards; acoustic apparatus or instruments; adaptors; aerials; antennae; amplifiers; amusement apparatus and instruments adapted for use with an external display screen or monitor; communication apparatus and instruments; encoded or magnetic banking or credit cards; cinematographic film; cinematographic instruments and apparatus; data carriers; data storage apparatus, equipment and instruments; electrical telecommunications and/or communications and/or broadcast and/or transmission and/or decoding and/or image processing and/or audio visual instruments and apparatus; electronic telecommunications and/or communications and/or broadcast and/or transmission and/or decoding and/or image processing and/or audio visual instruments and apparatus; film reproducing instruments and apparatus; hand held electrical telecommunications and/or communications and/or broadcast and/or transmission and/or decoding and/or image processing and/or audio visual instruments and apparatus; interactive educational or entertainment games for use with television receivers and video apparatus; mobile telephones; motion pictures; telephone apparatus and equipment; parts and fittings for all the aforesaid goods; sunglasses, leather cases for holding mobile phones; e-sell through products, namely downloadable media content, including video and films, television programmes, computer games, music, images and ring tones provided by internet, telephone line, cable, wireless transmission, satellite or terrestrial broadcast service; cases, containers, protective coverings and parts and fittings therefore, all for use with MP3 players, music storage devices, media storage devices and other consumer electronic devices; electrical, electronic and computer equipment for machinery for use in conservation, generation and efficient use of heat, light and water, including thermostatic controls, solar panels for electricity generation, photovoltaic devices, solar cells, motion detectors; electrical, electronic and computer equipment for use in the generation of solar power; control and monitoring equipment for use in the generation of alternative energy including wind power, hydroelectric power, tidal power, geothermal power, solar power, biomass, and biofuels; electronic publications (downloadable), including electronic publications, magazines and newsletters regarding environmental protection, energy conservation and ecology, animal welfare and renewable energy projects, including wind power, hydroelectric power, tidal power, geothermal power, solar power, biomass, and biofuels; apparatus and instruments for closed circuit television and surveillance systems; apparatus and instruments for personal security monitoring; apparatus and instruments for home security monitoring and control; home and personal security apparatus; home and personal security devices; home and personal security alarms; electronic protection equipment, including fire detecting and alarm equipment, intruder and burglar alarm equipment and motion detecting equipment; radio, telephonic, television and signalling apparatus and instruments, cameras, sound and video monitoring and recording and sound and video reproducing apparatus and instruments, all for control and telemetry purposes for the home and personal security; closed-circuit television systems (CCTV); monitors; cameras; optical lenses; camera casings; prepackaged cameras; videocassette recorders (VCRs); system controlling software; video monitoring apparatus; detectors; access control apparatus; readers; magnetic or encoded access control cards; monitoring apparatus; electronic panels for alarm management and monitoring; alarm panels; glass breakage detectors; smoke detectors; carbon monoxide detectors; digital audio recorders; digital video recorders; digital audio servers; digital video servers; electrical communication equipment; message programming equipment; radio paging equipment; electronic locking systems; life-saving apparatus and equipment; electric alarms; electronic devices for opening doors; electronic devices for protection; intruder alarms and anti-theft equipment; intruder detection apparatus; motion detecting equipment; electronic control apparatus; electronic apparatus for controlling

operation of machines; remote apparatus for controlling operation of machines; computer apparatus for controlling operation of machines; electronic network equipment; electronic communication equipment; message programming devices; electronic locking apparatus; computer software, operating system software, devices, and hardware for transmitting, receiving, synchronizing, displaying, backing-up, monitoring, controlling, sharing, coding, decoding, encrypting, accessing, remotely accessing, creating, collecting, storing, securing, removing, transferring, disseminating, locating, organizing or otherwise utilizing data, voice, multimedia, audio, visual, music, photographs, drawings, images, audiovisual, video, text, graphics or other data, including over a global communications network; computer software, operating system software, devices, and hardware for synchronizing data, files, e-mails, contacts, calendars, task lists, text messages, photos, music, audio, visual, audio visual, video, text, graphics, programs and other information between computers and hand-held or other devices, and vice versa; communications platforms for enabling instantaneous, continuous, scheduled and perpetual synchronization of data between computers and hand-held or other devices, and vice versa; multimedia cards, memory cards, flash memory cards, memory chips, data storage media devices, plugs, plug-in cards, magnetic cards, SIM cards, telephone calling cards, headphones, headsets, portable and/or hand held electronic devices for receiving, storing, playing and transmitting data, voice, multimedia, audio, visual, music, photographs, drawings, images, audiovisual, video, text, graphics or other data; online dictionaries, encyclopaedias, and reference texts (downloadable); online publications, including newspapers, magazines (periodicals), comics, journals (publications), books, user manuals, instructional and teaching materials (downloadable); online posters, photographs, pictures, articles, vouchers and tickets (downloadable), online electronic dictionaries, encyclopaedias and reference texts; computer software for processing electronic payments and transferring funds to and from others; online and downloadable authentication software; online conversion software and databases, including currency conversion and measurement conversion; computer software for the purpose of monitoring online communications and chat room conversations and alerting third parties to the contents; computer software for monitoring the use of computers and the internet by children; computer software relating to online protection and online security; protective clothing for cycling; locks (electric) for bicycles; parts and fittings for all the aforesaid goods; satellite navigational system for bicycles; global positioning systems for use with bicycles; computers for use with bicycle; ergometers; computer apparatus for remote meter reading; bicycle meters; distance meters; power meters; speed meters; eyewear; sports eyewear; sun visors; protective eyewear; sunglasses; cases for eyewear; cases for sunglasses; frames for eyewear; lenses for eyewear; straps for sunglasses and eyewear; helmets; cyclists helmets; crash helmets; protective sports helmets; sports bags for protective helmets; sporting articles for protective purposes; visors; radios; communicators; aerials for radios; parts for radios; carrying cases for radios; electronic radio apparatus; mobile radios; mounting fittings for radios; radio receivers and transmitters, radio transceivers; radios for vehicles; solar powered radios; power meters for bicycles; protective gloves; control panels for turbines for power generation; apparatus for controlling temperature; apparatus for controlling lighting; automated control apparatus for local management of lighting, heating and water supplies; parts and fittings for all of the above.

**11** Apparatus for controlling water supply; all the aforesaid being controlled by themselves or controlled by remote and computer apparatus instruments; apparatus for energy efficient lighting, heating and water supply purposes, in particular, light bulbs, apparatus for water conservation and use minimization; lights for bicycles; fittings for attaching lights to bicycles; reflectors for bicycles; parts and fittings for all the aforesaid goods.

**12** Bicycles; mountain bicycles; racing bicycles; cross country bicycles; cyclo-cross bicycles; all terrain bicycles; parts fittings and accessories for all the aforementioned goods; bicycle frames; handlebars for bicycles; saddles; bicycle rims; bicycle gears; chains for bicycles; bicycle bells; baskets for bicycles; brakes for bicycles; spokes for bicycles; dress guards for bicycles; pedals for bicycles; bicycle pumps; wheels and tyres for bicycles; inner tubes for bicycles; mudguards for bicycles; bicycle stands (supports); bicycle bags; bicycle stabilisers; luggage bags for bicycles; panniers for bicycles; bicycle carriers and racks; auxiliary child seats for bicycles and parts and fittings therefor; covers for bicycles and bicycle saddles; direction indicators and signals for bicycles; fittings for bicycles for carrying beverages and food; bottle cages for bicycles; fittings for bicycles for carrying luggage and panniers; puncture repair outfits and kits for bicycle tyres; toe straps and toe clips for use on bicycles; twist grips for bicycles; trailers for use with bicycles; cases and /or bags adapted for carrying bicycles; parts and fittings for all the aforesaid goods.
